

Satellite Shot Into Orbit; Will Relay Olympics

CAPE KENNEDY, Fla. (AP) — The Syncom 3 communications satellite, intended to relay television pictures of the October Olympic Games in Japan quickly to North America and Europe, rocketed into a preliminary orbit today en route to a planned stationary post high above the Pacific Ocean.

Dixmoor Race Tension Eased

DIXMOOR, Ill. (AP) — Tension in this racially troubled community eased this morning after a night relatively free of violence.

The hope was that the rioting that began Sunday had run its course.

It had resulted in about 50 persons injured, heavy property damage and 70 persons arrested in the six-block area in the largely Negro suburbs of Dixmoor and Harvey south of Chicago.

The only incident Tuesday night was a fire at a golf course club house near the trouble center.

"It looks like arson," said Fire Chief Edward Mulder of Harvey.

Although three Negro youths were seen near the club house shortly before the fire, officials declined to speculate on any connection with the racial trouble.

Helen Krol, daughter of the owner of Dixie Hi golf course, said both whites and Negroes use the course and that it has had no racial trouble.

Convertible Picks Up Horse On California Road

MALIBU, Calif. (AP) — Some men in sleek, little convertibles pick up girls.

Gordon F. Buck Jr., 29, picked up a horse.

One minute, Buck was doing 65 miles an hour in his little German Porsche on Highway 101A.

The next, he had a passenger in the front seat — a horse named Gambler.

Buck's car hit Gambler in the rear, flipping him into the seat, said the California Highway Patrol.

Buck swerved off the road. Gambler got out and galloped off.

A veterinarian said Gambler, who lives on a nearby ranch, suffered only a few bruises and slight emotional upset.

Buck's car was dented, the windshield was broken and the inside needed sweeping — but it still runs.

Weather

By The Associated Press

Upper Peninsula — Variable cloudiness through Thursday. Continued cool this afternoon. Somewhat warmer tonight with scattered showers likely west. Warmer Thursday. Low tonight 47 to 53, high Thursday 72-76.

Lower Michigan — Generally fair through tonight. Somewhat warmer tonight southwest. Warmer Thursday. Low tonight 40 to 50, high Thursday 70 to 82.

Highest temperature Tuesday, 74, lowest, 58.

Highest temperature one year ago today, 72, lowest, 58.

Highest temperature this date since 1872, 95 in 1947, lowest, 49 in 1896.

Gov. And Mrs. Romney Coming To Fair Thursday

Senate Kills Air Time Bill For Johnson

WASHINGTON (AP) — Senate Democrats have relieved President Johnson of the burden of deciding whether to debate Sen. Barry Goldwater in a radio-television campaign confrontation.

They locked horns with Republicans over the issue of who is chicken.

By a 44-41 vote the Senate tabled Tuesday night — and thus killed — legislation to suspend equal time provisions of the Communications Act.

The measure was similar to the one which paved the way for Kennedy-Nixon debates in 1960.

Twelve Democrats joined 29 Republicans in opposing the tabling. All the 44 votes to kill were cast by Democrats.

Sen. Norris Cotton, R-N.H., charged that it was "very evident some influence has been ordered from higher up to junk this bill because of the exigencies of this campaign."

THE GOVERNOR of Michigan and its First Lady will be welcomed Thursday when Gov. Romney comes here for the traditional appearance at the U.P. State Fair. Mrs. Romney will be guest of honor at an afternoon tea. This photograph was made by Daily Press photographer Bernie Schultz at the inaugural ball for the Governor in Escanaba.

Baruch Turns Spry 94 Today

NEW YORK (AP) — Bernard Baruch turned a spry 94 today with an off-handed vow to continue the kind of thinking that brought him fame and fortune and had presidents asking his advice.

"I don't want to dwell on the past," Baruch said at a news conference Tuesday. "Today and tomorrow concern me more than yesterday."

The financier, who had earned a fortune by his 30th birthday, added: "It seems to me that our country's problems, domestic and foreign, are today more complex and difficult than any we have known in the past."

"Yet, despite these problems and perils, the future holds out infinite possibilities and promises for the perfection of democracy and for the improvement of life, not only in this country but in every land."

Standing erect and supported lightly by a cane as he walked in and out of a midtown hotel suite for his news conference, the 6-foot-3 Baruch looked many years younger than his 94.

Except for the time it took to read a brief statement, Baruch lightly traded banter with reporters.

Asked what was the greatest lesson he had learned, Baruch smiled and quipped: "To mind my own business."

Today's Chuckle

A generation ago most men who finished a day's work needed rest now they need exercise.

Lightning Bolts Delay Two-Man Ride Into Space

CAPE KENNEDY, Fla. (AP) — A series of lightning bolts which caused considerable damage on the Project Gemini launching pad apparently has erased any possibility of a two-man orbital flight this year.

Officials said the mishap probably means that astronauts Virgil I. Grissom and John W. Young will have to wait until early 1965 to make the first tandem flight. They were to take a three-orbit, five-hour space ride in mid-December.

As an electrical storm swept over Cape Kennedy Monday night, several lightning bolts struck the Gemini launching complex. They damaged systems in a Titan 2 rocket on the pad and in the ground support equipment.

It was the first recorded incidence of lightning damage to a rocket in the 14-year history of the cape. All rocket gantries here are supposed to be lightning-proof.

The Titan 2 was being groomed to boost a fully equipped spacecraft, which was not on the pad, on a 2,000-mile ballistic flight to test all systems, the re-entry protective heat shield and recovery techniques.

The launching, the final unmanned shot before the Grissom-Young flight, had been scheduled for Oct. 6.

The National Aeronautics and Space Administration said Tuesday, "The effect on the launch date is not known at this time."

Vote Held Up By Filibuster

WASHINGTON (AP) — The Senate keeps talking, but the House votes today on what has become a key issue in the fading session of Congress — apportionment of state legislatures.

A Senate filibuster is holding back action on a proposal by Senate Republican Leader Everett M. Dirksen of Illinois that would permit states to delay court-ordered reapportionment. But a bill much tougher on the federal courts is up for a vote in the House.

Offered by Rep. William M. Tucker, D-Va., it would remove jurisdiction over state-reapportionment cases from the lower federal courts and prevent the U.S. Supreme Court from reviewing such cases decided in state supreme courts.

Both the Senate and House moves are aimed at undoing a Supreme Court ruling that both houses of a state legislature must be based on population.

There is strong opposition in the House to the Supreme Court ruling, but the very toughness of the Tucker bill is causing some misgivings among those who would like to see the ruling overturned.

They feel there is more question of the constitutionality of the Tucker bill than there is of the Dirksen proposal and thus more likelihood that it might be vetoed by President Johnson.

Three Children Suffocated In Closed Icebox

BALTIMORE (AP) — Police say other children have admitted shutting the door of an abandoned icebox in which three children suffocated.

The victims, Howard Banks, 3, Dorene Alston, 5, and Marlene Kennedy, 8, were found Aug. 10, the day after they had disappeared, in an old icebox in a garage behind a house in the block in which they all lived.

Queen Of 1964 Show Will Get Crown Tonight

Gov. George Romney and his wife Lenore, Michigan's first lady, will receive a warm welcome in Escanaba Thursday when the Governor comes here for Governor's Day at the U. P. State Fair.

Now in its second day, the Fair opened with crisp but clear weather on Tuesday and special entertainment for about 3,000 School Safety Patrol members; and today the Fair turned its spotlight on the 20 beauties who are candidates for the Fair Queen title.

The judges will have made their selection of the queen by this evening and she will be crowned at the 8:15 grandstand show. Kemp Brown, Munising, chairman of the U. P. Fair board of managers, will crown the queen.

The new queen's most important obligation on Thursday will be to join in greeting Gov. Romney, who with Mrs. Romney will arrive at the airport at 11:45 a. m. Thursday.

There they will be welcomed and escorted by motorcade to the House of Ludington where they will be guests of honor at a luncheon sponsored by the Fair board of managers. The Governor is scheduled to speak there and at the Fairgrounds later in the afternoon. Jean Worth, Escanaba Daily Press editor, will be the luncheon toastmaster.

Gov. Romney will head a motorcade to the Fairgrounds after the luncheon and there he will join with 4-H Club riders for a parade entry to the grandstand stage. There he is to speak about 2:30 p. m. and will present a Michigan state flag to 4-H Club youth to hang in the 4-H dining hall at the Fairgrounds.

The Governor will then tour the grounds and buildings, meeting and greeting Fairgoers. Mrs. Romney meanwhile will be a guest of honor at a tea from 3 to 4:30 p. m. at the home of the John J. Mitchells, 1021 Lake Shore Drive. The event is sponsored by the Delta County Republican Women's Club. Mrs. Forrest A. Henslee is general chairman, assisted by Mrs. Russell J. Lee, Mrs. Mitchell and others.

The Thursday night grandstand show will present the World's Fair Variety Show featuring the Willis Brothers.

Today's program at the Fair was dedicated largely to the presentation of some of the most beautiful girls in the Upper Peninsula.

The U. P. State Fair Queen candidates—all 20 of them—were guests of honor at luncheons and banquets and this afternoon paraded before the grandstand audience at the afternoon show. The lucky young lady who will be chosen to reign at the Fair here will also represent the U. P. at the Michigan State Fair to be held in Detroit starting Aug. 28.

The opening of the Fair on Tuesday brought several thousand School Safety Patrol boys and girls to the grounds—and some anxious minutes to Ray LaPorte, the Fair secretary-manager.

Roy Orbison, star attraction for the Fair's Tuesday entertainment program, was late in arriving for the afternoon show by nearly an hour. "But he was well received by the grandstand audience both afternoon and evening," said LaPorte.

Program U.P. State Fair Thursday Morning

8:30—Judging: 4-H Dairy Classes.
11:45—Gov. Romney arrives at Airport.
Noon—Governor's Luncheon at House of Ludington.

Afternoon
2:15 — Grandstand: Gov. Romney's address. Free Admission. 4-H events: Dress Revue, Talent Contest, Pig Scramble, Horse Show.

Evening
8:15—Grandstand: World's Fair Variety Show featuring the Willis Brothers.

Strong Rights Plank Urged For Democrats

WASHINGTON (AP) — Civil rights leader Roy Wilkins urged Democratic platform writers today to pledge vigorous enforcement of the new civil rights law and give the country a contrast with what he called the "squeamish circumlocution" of the Republican plank.

Wilkins, chairman of the Leadership Conference on Civil Rights and secretary of the National Association for the Advancement of Colored People, declared that "the riots which have shaken several urban communities cannot be condoned." He said they must be understood against a background of deprivation and frustration.

Wilkins' testimony was prepared for the Democratic platform committee as it concentrated on the civil rights issue, considered the most difficult to treat in a plank acceptable to all wings of the party.

A trial balloon floated by some Southern moderates for a compromise statement that might avoid a floor fight appeared to have been shot down when Pierre Pelham, a committee member from Alabama, said Tuesday he could accept nothing less than a call for repeal of the Civil Rights Act.

The Republican platform language that aroused Wilkins' scorn includes a call for "full implementation and faithful execution" of new and old civil rights laws, improvements as needed and any necessary action to ensure the right to vote.

But Wilkins said the slogan, "leave civil rights matters to the states has become the hallmark" of Sen. Barry Goldwater, the Republican presidential candidate. Goldwater has said he accepts the Republican platform and, as president, would enforce the laws.

Rain Is Needed In Nevada Fire

ELKO, Nev. (AP) — Fire fighters planned to resort to cloud seeding today in hopes of creating more rain to help them control huge fires which have blazed in northeast Nevada since Saturday.

Bureau of Land Management officials estimated that about 350,000 acres of valuable range land have been burned in the fire-stricken region, declared a disaster area by Gov. Grant Sawyer.

Showers late Tuesday helped contain two of the fires, but winds fanned the massive Boulder Flat-Maggie Creek blaze northwest of Elko through 15 miles of grass and brush in a few hours.

The Boulder Flat-Maggie Creek complex accounted for more than 180,000 acres of blackened range in an area 30 to 40 miles west and northwest of Elko.

Some lightning flashed Tuesday, but there were no reports of new fires. Nearly all the big blazes of the past five days were set by lightning.

Fire crews totaled about 2,000 men, many of them Indian professionals from throughout the West.

Escaper Caught At Ann Arbor

ANN ARBOR (AP) — A 22-year-old convict was arrested late Tuesday after he strangled an off-duty officer into unconsciousness and was chased two miles through a sewer police reported.

Jack London, of Ann Arbor, who escaped two days ago from a state prison camp near Pontiac, was charged with assault with intent to commit murder and escape from prison after he was hauled out of a sewer.

London was spotted earlier and questioned in the old University of Michigan Botanical gardens, by off-duty patrolman Raymond Landis, 24, who worked in the gardens as part-time caretaker.

In an unguarded moment, London knocked Landis down and strangled him into temporary unconsciousness. After Landis came to, he noticed the open storm sewer and alerted police who searched a above ground and in the city's sewer system.

Two officers, Patrolmen Stanley McFadden and Charles Foltick, found London lying in a section of sewer pipe about two hours later.

Conway Twitty Coming To Fair

There's a special entertainment treat coming up this week at the U. P. State Fair.

"We are fortunate in the opportunity to book Conway Twitty, popular teen-age recording star, for the grandstand show Friday night," said Ray LaPorte, fair secretary-manager.

Twitty's recording of "It's Make Believe" for MGM is his latest hit. His appearance at the U. P. State Fair was a special arrangement that provides an entertainment bonus for Fairgoers, LaPorte said.

The Friday night show will have Twitty as headliner for a variety bill that includes Bill Hart, Betty Gray, the Elkins Sisters and others.

Grandstand shows are at 2 and 8:15 p. m. daily through Sunday.

In Service

Staff Sergeant Robert O. Dorinski, son of Mr. and Mrs. Peter Dorinski of Carney, Menominee County, has arrived for duty at Williams AFB, Ariz., after a tour of service in Japan. Sergeant Dorinski, a preventive medicine specialist, is assigned to an Air Training Command (ATC) unit at Williams. The sergeant, a graduate of Stephenson High School, attended the University of Denver in Colo.

The modern sub had its beginning in 1620 when Cornelius Drebbel, a Dutchman, built a craft propelled by oars. He successfully took it to a depth of about 15 feet beneath the surface of the Thames River.

John Bartella and granddaughter Judy (Daily Press Photo)

Young Pilot Has 'Corny' Flight

Judy Bartella, daughter of Mr. and Mrs. Robert Bartella, Lexington, Ky., who will be 19 in September, is a licensed pilot and flew her family from their home in Lexington, Ky., to visit her grandparents, Mr. and Mrs. John Bartella, 516 S. 9th St.

Judy will be a sophomore at Swarthmore College near Philadelphia so Judy's mother and sister, who is a senior in high school and has been fully licensed for two months. She has earned a private pilot's license which enables her to carry passengers.

She became interested in flying while taking a sightseeing tour offered by a local aviation company in Lexington. After the tour the pilot announced that those interested could take lessons, with the first lesson free. Judy was very interested and took the first lesson and her parents offered her the entire course as a high school graduation gift.

Before this trip to Escanaba her longest cross country trip was to Lafayette, Ind., a distance of 400 miles. The Escanaba trip was about 630 miles with a stop in Cambridge, Wis., to visit Mrs. Bartella's parents, Mr. and Mrs. L. C. Porter.

It was in Cambridge that Judy met with a bit of valuable first hand experience. She took what might be called a "long run off a short runway." It seems the unpaved runway wasn't quite long enough for the loaded plane and they ran 100 feet into a cornfield.

"There was corn all over the place," said Judy good naturedly.

Do FALSE TEETH Rock, Slide or Slip?

FASTTEETH, an improved powder to be sprinkled on upper or lower plates, holds false teeth more firmly in place. Do not slide, slip or rock. No gummy, sticky, pasty taste or feeling. FASTTEETH is alkaline (non-acid). Does not sour. Checks "plate odor breath". Get FASTTEETH at drug counters everywhere.

Two Incidents At State Fair Reported Tuesday

Gladstone State Police investigated two incidents at the U. P. State Fair Tuesday, an attempted robbery and personal injury incident.

Mrs. Alice Turnquist, secretary to the manager at the Fair, of 1023 Washington Ave., reported that as she was walking up the Midway about 3 p. m. with her billfold in her hand a young man bumped into her and grabbed the wallet. He started to run but tripped over an electrical lead wire and lost his balance. Mrs. Turnquist said she grabbed for him and he threw the wallet aside and ran away. Mrs. Turnquist was able to recover the billfold.

Robert Lake, 11, of 1119 Ludington St., suffered a bone fracture of his face when he was kicked while attempting to look under the canvas at one of the sideshows.

According to witnesses an unknown boy about 12 years old kicked Robert in the face. The boy was taken to St. Francis Hospital for treatment and X-rays revealed the bone under his left eye was fractured. He was released.

A "conversation piece" is an unusual article likely to attract attention and provide a subject for conversation.

Attorney General Campaigns Kelley Believes Bridge Toll Is Retarding U.P.

Michigan Attorney General Frank J. Kelley of Alpena put in a few ticks of campaigning in the Upper Peninsula this week while waiting for the Democratic State Convention to renominate him on Sept. 19.

He liked Mackinac Bridge tolls as a pre-convention issue.

"I used to think that toll talk was a political gimmick," said Kelley "but Clarence Lock, the state revenue commissioner, has reported on sales tax collections in all the counties of Michigan in fiscal 1964 and the Upper Peninsula is definitely not sharing the state's prosperity."

"Lock says that there may be many reasons for the Upper Peninsula's failure to progress, but that it seems logical that the Mackinac Bridge tolls are a factor."

"The state had an average increase of state sales tax collections in the fiscal year ending June 30 of 6.99 per cent over the previous year. No Upper Peninsula county was up to the state average and 13 in the top of the Lower Peninsula with conditions like the Upper Peninsula exceeded it."

"Of the 5 counties that declined in income 4 were in the U. P. and three others in the

Munising Hosts Musical Corps

MUNISING—Plans are complete and program is ready for the Drum and Bugle Corps Spectacle to be held here Saturday. A parade beginning at 2 p. m. with one corps appearing every 15 minutes for an hour in downtown Munising, will lead off the day.

The night show program follows:

5:45 p. m. "Blaze of Glory" flag presentation with the color guards of all participating corps on the field, and The Star Spangled Banner sung by Janet VanLandschoot of Munising.

5:50 p. m. Silver Echoes Feeder Corps exhibition.

5:55 p. m. Silver Echoes Rifle Squad exhibition.

6:00 p. m. Drum and Bugle Corps Spectacle and color guard exhibitions, featuring: The Lancers of Manistique. The corps drum major is six foot eight inch Henry Fountain. Kay Hough is the majorette. Color guard sergeant is Helen Willough.

The Mountaineers of Ontonagon with an all-girl color guard under Sargent Ann Marincel. Their drum major is Dan Guzek.

The Northernaires of Menominee, an all boy corps of 60 members, U. P. American Legion champions from 1956 through 1961, Michigan state champions from 1956 through 1961. In 1962 they won the State VFW championship, and in 1963, won both the State and VFW and Legion Color-Guard championship. Major: Terry Beckel and Color Guard Sgt. John LeBouton.

The Silver Echoes of Munising, consisting of 60 members including an all girl color guard of 14 members, under the command of Marilyn Patzer. Drum Major: Peter Haag.

Grand Finale: With all the corps on the field, a presentation of awards will be made to the most outstanding girl and boy member of the Silver Echoes Drum and Bugle Corps.

An average of 196,200 cubic feet of water goes over Niagara Falls every second, according to the Encyclopaedia Britannica.

Stephenson Has Cheese Winners

Two cheese factories at Stephenson carried off top honors in the dairy products exhibit at the Upper Peninsula State Fair, winning first and second places with their entries of aged and fresh cheese. In butter and cottage cheese, the top awards went to Bruce's Crossing. All winning entries were excellent in flavor, texture and color, the judges agreed.

The results:

Aged cheese—first, Palestine Cheese Co., Stephenson; second, Belgiantown Cheese Co., Stephenson; third, Rudyard Cheese Co., Rudyard.

Fresh cheese—first, Palestine; second Belgiantown; third, Michigan Milk Producers Assn., Daggett.

Butter—first, Ontonagon Valley Co-op., Bruce's Crossing; second, Copper Country Dairy, Dollar Bay; third, A & P Creamery, Stephenson.

Cottage cheese—first, Ontonagon; second, Bancroft Dairy

Marquette; third, Jilbert Dairy, Calumet.

Foreign type cheese—first, Michigan Milk Producers, Crystal Falls; second, Carney Milk Products (Frigo), Carney.

The winning foreign cheese is of the parmesan variety. Other entries included several types of provolone.

Judging of the dairy exhibit was by Harold Lauer of Green Bay, grader and inspector for the U. S. Department of Agriculture in this area. He was accompanied by Reuben Wilson of Chicago, head of the dairy section in the USDA district. Mason Smith of Marquette is superintendent of the dairy products department at the fair.

As the Eiffel Tower rose above the Paris skyline in 1887, prominent Parisians petitioned against the "monstrous and useless" thing.

John P. Fenlon Of Hyde Dies

John P. Fenlon, 85, who was engaged in farming at Hyde many years, died at 7:30 a. m. today at Pinecrest Medicare facility, Powers. He had been a patient there three years.

Mr. Fenlon was born in Plattsburg, N. Y., March 17, 1880, and moved to Felch with his parents as a boy. He later settled in Hyde and before entering Pinecrest, he lived in Escanaba.

His wife, the former Cecelia Farrell, died in 1940.

Surviving are two sisters, Mrs. Anna Billy and Mrs. Ralph (Margaret) Peterson of Hyde, and seven brothers, Thomas Fenlon, Escanaba, Peter of Gastra, Howard, Battle Creek and Edward, Lawrence, Albert and Frank of Hyde.

The body was taken to the Degman Funeral Home. Arrangements for services will be completed later today.

Briefly Told

Next meeting of the Active Citizens for Education will be held at 8 p. m. Monday, Aug. 24 in the Escanaba Area Senior High School. An invitation has been extended by ACE to the Delta County Taxpayers Association to have representatives present.

Picture of the Day in the Art Department at the U. P. State Fair for today is a snow scene in oil titled "Still Winter" by John Lemerand of Wells.

ESCANABA DAILY PRESS

What Escanaba Misses

When Bernard Schultz, the Escanaba Daily Press' photographer, returned this summer from a vacation visit in the West he commented upon the huge loss of tourist business which Escanaba blithely whistles away. He was impressed by what other states and particularly other communities are doing to attract business that moves on the highways. Escanaba has intimate exposure to this big movement of pleasure seekers on M-35 and U.S. 2-41, which all bound the city on its west side. Only a trickle of this traffic enters the city. Many more tourists would stop and shop and use the city's outstanding recreational facilities like Ludington Park, the marina and the beach if they were invited to in a more effective manner.

"There are thousands of people looking for a place for their noon lunch," said Schultz. "They'd just love Escanaba's beach front, like they did Gladstone's Van Cleve Park when it was on the main highway. They used to jam in there. Now there are even more moving on the highways and we're not getting them."

Schultz was impressed with the effectiveness of some of the signing of tourist attractions in Western states. Simplicity does it, he said, just a few words on a sign; a simple message timed to the fast clip of driving. By the time the driver reaches the attraction he's familiar with it and anxious to see and enjoy it.

Escanaba could make no investment that would bring it more business than the few thousands that an adequate highway signing of its tourist attractions would bring.

And it should increase its tourist attractions. The City should actively undertake the development of the Marine Museum that it has projected for Ludington Park. It could with a small investment create a pioneer village of log house types at the Delta County Historical Museum that would be very interesting to visitors, as are similar exhibits elsewhere in the United States and in Scandinavia. It could develop a signed arboretum in Ludington Park that would entertain and instruct visitors in the flora of the Upper Peninsula. The possibilities are limited only by human imagination.

What's needed is action.

Mass Transit

In America there is no need to cite instances of our cities' traffic troubles. From time to time alarmed voices are heard crying for a total ban on automobiles in the cities. This obviously, is no way to run a free country.

The answer, in the opinion of many, is not rickshaws or regulations, but to make public transportation so efficient, so convenient and so attractive that Joe Commuter forgets — on working days, anyway — his love affair with his automobile.

In this case, the way to his heart may be through his pocketbook.

It is estimated that it would cost \$31 billion to handle the automobile traffic that would be needed to replace the existing commuter railroad service in just the five cities of New York, Philadelphia, Boston, Chicago and Cleveland.

In Chicago alone, mass transit carries the equivalent of 160 multimillion-dollar express highway lanes.

In San Francisco, it would take five times as much money and four times as much land to equal the expected peak-load capacity of the city's just-begun 75-mile rapid transit network.

But the Bay area plan barely squeaked through with the necessary percentage of approving votes when the issue was placed on the ballot. Other cities also manifest voter resistance to mass transportation bond issues.

Yet an engineering survey has shown that it costs a city like Washington, D. C., 50 cents for every car that comes in from the suburbs (cost of traffic controls, parking and so on.) It fact some large cities might come out ahead financially by providing free transportation between perimeter parking lots and their downtown areas.

President Johnson, who participated in the groundbreaking ceremonies in San Francisco, recently signed into law a \$375 million bill to aid mass transit.

Spread around the entire country, this comes out pretty thin. It is about a third of what San Franciscans are spending (of their own money.) And, although the problem is essentially a big-city one, under the bill communities as small as 2,500 can receive federal monies.

The Doctor Says:

Check Those Mushrooms

By Dr. Wayne G. Brandstadl.

Along with football practice and gradual shortening of the day comes an outdoor sport indulged in by braver souls than I am — collecting mushrooms. Each year brings its reports of mushroom poisoning so don't let an "honest mistake" shorten your days. There are more than 3,000 species of this plant, and it would take a real expert to be familiar with half of them.

To complicate matters, poisonous and nonpoisonous varieties are often deceptively similar. This is especially apt to fool you if you are gathering mushrooms in a part of the country that is new to you. Other reasons why toadstool poisoning continues to occur are that the poisonous varieties do not have an unpleasant taste or smell and their color is not a reliable key to identifying "brand X." Even in the laboratory there is no simple test that will reveal all the poisons found in these plants.

Some persons become ill after eating mushrooms when no one else in the party is affected. This is due to allergy and is not to be considered true mushroom poisoning. The latter may be rapid or delayed. The rapid type usually occurs within two hours of eating the mushrooms and is caused by the poison, muscarine. The result is severe abdominal pain, violent diarrhea, salivation, sweating and

Michigan Mirror

By ELMER E. WHITE

A "new and different" educational project is underway within the shadow of Michigan's State Capitol.

Students attending classes in old St. Mary's School are all majoring in the same subject—jobs.

"The world doesn't owe us a living—all we ask is that it give us a chance to earn one ourselves."

With this creed, 150 students, most of them previously unemployed, are undergoing a one-year training program at the Michigan Catholic Conference Job Training Center. Religious background is not considered when enrolling students, and many faiths are represented.

The unique anti-poverty program, designed to make them employable, is being paid for by three federal agencies and is sponsored by the Michigan Catholic Conference which represents the Catholic Bishops of Michigan. However, few of the students and staff are Catholics.

Students attend classes daily

from 8 a. m. to 3 p. m. in old St. Mary's School. The program calls for 30 weeks of basic education and 20 weeks of vocational instruction. Students receive training allowances ranging from \$20 to \$48 weekly depending on their family status.

Average age of all students is 34. Married students have an "average" of four children; one has 12. Their formal education level is grade six. One in four students had less than three years of formal education.

The average earnings of each trainee last year was below \$700.

Francis J. Coomes, Executive Director of the Michigan Catholic Conference, said the program has received "outstanding support" from all major faiths in the Lansing area and other community organizations like the Lansing Community Services Council.

"Central Methodist, for instance, is operating a Nursery School for pre-kindergarten children of the trainees," Coomes said. "And transportation for the pre-schoolers is being supplied by the Lansing Chapter of the American Red Cross."

Coomes said most of the students are making "good progress." "We're pleased with results of the program so far but the real test will be whether they can get jobs afterward," he said.

"If they can get jobs that will pay twice as much as they were receiving on welfare, then the training will pay for itself," Coomes said.

If Experience Counts

Farm displays and other agricultural matters at Michigan's State Fair are in the hands of six experienced farmers. The Fair opens Aug. 28 and closes the evening of Labor Day, Sept. 7.

The six farmers who are in charge of exhibits include two who come from Centennial Farms, which means they have been operated by members of the same family for more than 100 years. One of these is Stanley M. Powell of Ionia. Powell is very active in the Farm Bureau and raises both prize milking shorthorn cattle and prize sheep.

The other Centennial Farmer is Delmont Chapman, South Rockwood. He has served on the State Fair Authority several times and in the State Legislature. He is in the third generation to operate the farm and now raises prize sheep. His youngsters are also active in sheep raising.

Former Director of Agriculture Charles Figg, a Morenci farmer, is chairman of the State Fair Authority. Youngest member of the group is Robert Zeeb, 32. Chosen Outstanding Young Farmer of the Year in 1963 by the Junior Chamber of Commerce, Zeeb operates a 480 dairy farm with his father near Bath.

Robert J. Noon, Jackson, has been on the Fair Authority for more than a dozen years. He raises swine, sheep and Shetland ponies.

Lyle Glover, operates a 247-acre dairy farm near Fowlerville where he was born in 1907.

More people get more news from newspapers than from all other sources combined.

Ex-Convict Held For Abduction

SOUTH BEND, Ind. (AP) — Bruce Dishman, 34, self-employed tree trimmer and former convict, was held for \$50,000 bond Monday on a federal kidnapping charge in the abduction of a nine-year-old South Bend girl.

The girl was reported in remarkably good condition after being found bound hand and foot and standing chin deep in a St. Joseph River sandbar early Sunday morning.

Dishman, picked out of a police lineup by the girl, demanded a hearing when arraigned before a U.S. Commissioner. It will be Friday.

Police Capt. Orson E. Harmon praised the composure of the young girl, who gave a description of her abductor and his compact auto in minute detail.

Dishman was placed in the lineup after his arrest on a speeding charge when a policeman noticed the close resemblance of him and his auto to the girl's description.

Joseph Low, a Niles, Mich., lawyer and his wife, heard the girl calling for help as they were moving into a home near the river on the Indiana-Michigan line. He and a neighbor, Owen Demuth, rowed into the river and found the girl on a sandbar, her hands and feet tied and water lapping at her chin.

The rescue came hours after the girl's new bicycle was found near her home Saturday.

Dishman served nine months in Michigan in 1961, on a 14-year sentence for burglary. On his release, he pleaded guilty to a grand larceny charge in South Bend and was placed on probation for two years. Police records also showed he paid a \$20 fine early in 1961 on conviction of indecent exposure.

Gov. Romney And Staebler Will Debate Sept. 15

DETROIT (AP) — The Democratic and Republican candidates for Michigan governor will debate Sept. 15 at the Michigan AFL-CIO convention in Grand Rapids, the labor organization said Tuesday.

Rep. Neil Staebler, D-Mich., is the Democratic candidate. Gov. George W. Romney and Wendell Ford are contesting in the Sept. 1 primary for the Republican nomination.

BARBS

Drilling For Oil Is Started On Ford Property

DEARBORN (AP) — Drilling for oil has started on Ford Motor Co. property just outside its gigantic Rouge manufacturing complex.

The drilling is a joint venture by Ford and Panhandle Eastern Pipe Line Co.

A Panhandle Eastern spokesman estimated Monday drillers were approximately 700 feet down. They plan to go at least 4,000 feet, unless they strike earlier, to test the so-called Trenton formation.

Chrysler Drops Deal With Mack

NEW YORK (AP) — Chrysler Corp. dropped its multi-million-dollar plan to acquire Mack Trucks, Inc., Monday after a federal district court judge in Newark, N.J., issued a preliminary injunction delaying the merger.

Federal Judge Reynier J. Wortendyke Jr. issued the injunction Monday pending a trial for a permanent injunction sought by the federal government, which alleges the merger violates the Clayton Antitrust Act.

Judge Wortendyke read his opinion in chambers to attorneys for the Justice Department and the two corporations. He said:

"The evidence before me clearly discloses the probability that the government will be able to prove its charged violation of section 7 of the Clayton Act."

A joint Chrysler-Mack statement was issued here shortly after the court decision, by Lynn Townsend, president of Chrysler and C. Rhoades MacBride, president of Mack.

Ann Landers

Would Help Her Get Model Job

Dear Ann Landers: I came to this rather large city from a small town in Kansas. I was unable to get the kind of employment I had hoped for and my money was running out, so I took a job as a cocktail waitress.

The lounge where I work is a favorite hang out for advertising and public relations executives. Their suit sleeves don't have creases in them like the yokels I used to know back home. (My girl friend told me this is the first thing to look for.)

Yesterday one of the best-looking men I ever saw asked me why a girl with such gorgeous legs was waiting tables. He said I ought to be a hosiery model and that he could help me. But he doesn't want to talk about the job in his office. He prefers my place.

Do you know anything about hosiery modeling? I used to read your column back in Kansas and I trust you, Ann. Please help me — TOUGH SLEDDING

Dear Sledding: That model routine is strictly off the cob. Model agencies have lists a mile long of girls with beautiful gams who are stepping all over each other trying to get jobs.

The man's sleeve may not have a crease but I think he's got something up it. Tell him to get lost.

Dear Ann Landers: My husband would rather shoot craps than eat, and that's about the choice we've had for eight miserable years.

Before I married Jack I knew he was a horse player. He promised to give up horses if I would marry him. He kept his word, but now it's dice instead of horses.

We've been living on my paycheck for the past two months because Jack got stuck in a game and borrowed from a tough bunch of monkeys. When I think that he has been working for those thugs instead of for his family I get so mad I can't see straight.

I've tried to reason with him. When we talk, he says I'm right and swears he is going to quit gambling for good. But somehow he hasn't got the will power to stay away from the old bones. Jack is a swell guy and a wonderful father. I know I'll never leave him no matter what, but I need your help. — ARLENE

Dear Arlene: Write to Gamblers Anonymous for literature. The address is P. O. Box 1717; Los Angeles 17, California.

Gamblers Anonymous has helped many compulsive gamblers overcome their addiction. A 5c stamp could change your life. It's worth the gamble — I mean the investment.

Parents are people — they can be right and they can be wrong. To help understand their viewpoints and to promote harmony at home, write for ANN LANDERS' booklet, "How To Live With Your Parents," enclosing with your request 20c in coin and a long, self-addressed, stamped envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped, self-addressed envelope.

I would very much appreciate your opinion. — A. I. R.

Dear A. I. R.: I believe, and very strongly, that the jewelry should be sent back at once, and that you tell Mary Alice she may not accept gifts from boys.

The thought of earnings for a 13-year-old nauseates me. Such a gift clearly suggests that these

Northern Signs Ford's Eveleth Mine For Gas

Northern Natural Gas Co. announced that it has signed a contract with the Eveleth Taconite Co. to supply natural gas to the firm's \$45 million taconite plant now under construction near Forbes, Minn.

The plant is owned by the Ford Motor Co. (85 per cent) and Oglebay Norton Co. (15 per cent), and is expected to be completed by late 1965. It will produce 1.6 million tons of taconite pellets a year.

The contract was signed by W. D. Hamilton, vice president, for Oglebay Norton, and H. M. Sampson, vice president of Northern Natural Co.

Sampson said "The signing of this contract is highly significant in that it adds considerable stature to our application with the Federal Power Commission to bring gas to the Mesabi Range. This contract," he said, "provides for the sale of about \$6 million worth of gas over the life of the contract."

"We are planning," he added, "that we will be able to build a pipeline to the Mesabi Range in 1965, and the contract with Eveleth Taconite Co. will aid materially in securing a certificate from the Commission."

In March, Northern Natural Gas signed a contract with Erie Mining Co. for the use of natural gas at Erie's taconite plant at Hoyt Lakes, Minn. Northern then filed its application with the Federal Power Commission to serve the Mesabi Range plus northern Wisconsin and the Upper Peninsula of Michigan last April.

The company subsequently revised its application in late June, urging the FPC to set an immediate hearing date for the Mesabi portion of the application and continue to process the Upper Peninsula portion in the normal manner. Northern is continuing to actively pursue contracts with iron mining companies on the Upper Peninsula, and officials are optimistic that they will be concluded to also allow for construction to this region and Northern Wisconsin in 1965, said Sampson.

Pick Winners In Beef Breeds

Dennis Bowers, of Stephenson won Grand Champion fat steer award for the second year in a row with his entry at the junior livestock show. Linda Peterson of Carney received the reserve award with her entry.

Bowers also took first place with entries in the steer doubles and heavy class. His brother, Eldon and sister Susan placed second and third respectively in the steer doubles.

Owners of winners in the fat steer singles, light weight, were Linda Peterson, first, Allen Peterson, her brother, placed second and Gregory Veaser of Powers, third.

The second place winner in the heavy class was owned by Rodney Erickson of Carney and third place, Bruce Peterson of Carney.

Menominee County won the award for the best five steers from a county or chapter for the third year in a row. Delta county placed second in the competition with Stephenson F.F.A. and Marquette County following.

Forty beef steer will be sold in public auction at the annual 4-H Beef Fat Stock Auction to be held in the beef ring at 8:30 tonight.

Richard Dagord of Fayette was awarded the senior female champion trophy with his entry in the 4-H and F. F. A. beef breeding competition Tuesday afternoon. The trophy was presented by Edward LaMarche of Escanaba Rte. 1.

Corinne Coriesky of Iron River won the junior female trophy awarded by Peterson Brothers of Carney. Corinne LaMarche of Escanaba Rte. 1 was awarded a trophy by Dagord Hereford Farms of Fayette for the best cow and calf.

Other winners in the beef breeding were: Richard Dagord, Fayette, best aged cow; Pat Tikkanen, Calumet, four-year-old cow; Corinne LaMarche, Escanaba, three-year-old cow and two-year-old cow; Randall Atkins, Sault Ste. Marie, senior yearling heifer; Greg Veaser, junior yearling heifer; Corinne Goriesky, Iron River, senior calf; Allen Peterson, Carney, junior calf; Corinne LaMarche, pair of females.

Delta County won first place for the four females in county or chapter and Iron County was second. Rodney Lucas of Garden placed first in fitting and showmanship with Corinne Goriesky, Iron River, Greg Veaser, Powers, Rodney Atkins, Sault Ste. Marie and Nick Dagord, Fayette, also receiving awards in that section.

Bay College Adds To Faculty

The English faculty for Bay de Noc Community College has been strengthened by the addition of Miss Leona M. Dougherty of Gladstone, it is announced by Richard Rinehart, president.

She will begin work with Arni Dunathan and Jack Romstad (as soon as Jack returns from Hawaii) in solving several difficult questions in this field.

"The goals and purposes of college English have been under debate by representatives of higher education recently on the relationship between high school English and the college freshman courses. Some colleges have dropped remedial courses, saying that if the student did not become prepared for college writing, it is the student's responsibility to take remedial action on his 'own'."

Rinehart says. Other colleges take the responsibility for teaching the student at whatever stage of development he has reached. Another question of purposes is the extent of teaching such things as literature, literary criticism, critical thinking, logic, use of resources and the preparation of research papers, he added. Still further, some colleges institute special courses for technical and engineering students, for business students, and for vocational students, while others use the same English courses for all students.

Further still, special curricula are sometimes developed, such as Michigan State University's freshman English, "American Thought and Language," which involves the study of American History.

Miss Dougherty received her Bachelor's Degree from Milwaukee State Teacher's College and her Master's Degree from Marquette University. She has had 14 years experience in college and high school teaching in Wisconsin and will reside in Gladstone with her mother at 1620 Minneapolis.

Menominee Is Jersey, Swiss Awards Leader

Menominee County farmers kept their familiar top position in the first day of judging of dairy animals at the 36th annual Upper Peninsula State Fair in Escanaba on Tuesday.

Kenneth Benson of Powers showed the grand champion purebred Jersey male and Gerald Benson of Carney the grand champion purebred Jersey female. Gerald Benson also showed the grand champion grade Jersey.

Richard Reath of Vulcan showed the grand champion purebred Brown Swiss male and Luke Suchovsky of Daggett the grand champion purebred Brown Swiss female. Lynn Riley of Vulcan showed the grand champion grade Brown Swiss.

Eugene Starkey, extension dairyman of the University of Wisconsin, judged the Brown Swiss show with 47 animals entered and made these additional awards:

PB Male: Senior champion, Luke Suchovsky; junior champion, Richard Reath; PB Female: senior champion, Luke Suchovsky, junior champion, Danny Reath, Vulcan; Grade senior champion, Lynn Riley; junior champion, Danny Reath.

Wright Is Judge
Edward J. Wright of Saginaw, Guernsey breeder and chairman of the Michigan Agricultural Commission, judged the Jersey show and awarded the following honors:

PB Male: senior champion, Kenneth Benson; junior champion, Gerald Benson; PB female senior champion, Gerald Benson, Kenneth Benson; Grade Jersey senior champion, Roger Johnson, Carney; junior champion, Gerald Benson.

Wright said: "The Jerseys are a little longer and a little more up in the air; they use roughage a little better. There are a lot of things working to make dairy animals show up better and Extension is trying to help them. The dairy farmer today has got to be better than in years past to make a nickel."

"Artificial breeding has a lot to do with today's superior animals. With a good sire costing \$5 to 10,000 where can even a dozen dairy farmers afford one. But with frozen semen available all over the state they can use the best bulls."

Fat Not Accented
"In Guernseys I like 10,000 to 12,000 pounds of milk production with 4.7 test and am not so anxious for more than 5 (per cent butterfat.) Some Holsteins produce 4.5 fat. I'd sooner have an aged Guernsey that produces 60 pounds of milk with 4.6 or 4.7 fat than one with more than 5 per cent

and only 30 pounds of milk, because milk is standardized (for fat content) now at 3.5 anyway."

"The emphasis on fat is gone now and dairymen can't afford to put a lot of fat into the bottle."

"I was in the Upper Peninsula in March at 10 artificial breeders meetings and found the groups not much different than in the Lower Peninsula. About 75 per cent were older men who will be out of farming in 10 years."

"Tonight we honored a young U. P. dairyman who just paid \$12,000 for 30 cows. He'll do all right, but wouldn't recommend it for 80 per cent of farmers. The banks know the workers. Not everyone can or should make such investments and it's pretty hard to start cold now."

"Our testing association (in Saginaw County) has about 50 per cent of members my age (early 40's) and in the late 30's. I think we're a long way from soybean ice cream."

Jack Little, U. P. Extension dairyman, shared Wright's view on substitutes for milk. "We haven't found any substitute for babies yet," said Little.

Poultry Litter Cheep Feed For Fattening Beef

Poultry litter (chicken manure) fortified with some energy feed, vitamins and minerals makes a cheap ruminant feed for fattening beef cows and dairy replacements.

According to Farm Quarterly, use of this new feed is causing some controversy in Maine, where feed runs higher than in the Corn Belt.

Maine farmers have to find a cheap feed if they are to go on raising beef and producing milk, and some of the sharpest cattlemen in the state think they have found it in chicken litter.

There may be conflict with Maine law in feeding litter to producing dairy cows. The best use of the feed may be in raising replacement stock.

After two years of feeding, some of the problems are well known. One of the worst is getting the hardware out of the litter. It takes a good strong magnet to pull out staples, nails and other bits of steel. Another is that the feed must be kept dry if the cattle are to eat it. And another is the necessity of mixing the feed.

Family Reunion Held At Lusardi Home In Rock

ROCK — A reunion was held Aug. 15 at the George J. Lusardi home in Rock honoring Mr. Lusardi on his 86th birthday. Lunch was served on the lawn for 60 guests. A birthday cake centered the table. Mr. Lusardi received gifts and a purse of money.

Sons and daughters attending the reunion were: Eleanor (Lusardi) Thorson, Clarence Lusardi, Chicago; Mr. and Mrs. Arthur Hill, (Delphine) Marquette; Mr. and Mrs. Ted Makie (Marge), Mrs. Betty Sharkey (Lusardi) Rock.

Also attending were five grandchildren and one great grandchild. Two daughters and one son were unable to attend. They are Mrs. Bill Jensen (Mae) Detroit; Mrs. Johnson (Clare) Milwaukee, 17 grandchildren and 15 great grandchildren were also unable to attend.

Other guests were Mrs. William Maynard, Mrs. Lucy Lusardi, Mr. and Mrs. Ed Lusardi and family, Mrs. Donald Okler and family, Iron Mountain; Mrs. Catherine Rappette, Escanaba; Mr. and Mrs. George Rappette Sr., Mr. and Mrs. Andrew Rappette and family, Flat Rock; Marie Liss, Mr. and Mrs. Vincent Rappette and family, Flat Rock; Mr. and Mrs. James Lucas and family of Boston, Mass., spent the weekend at the Sid Lucas home. They left Monday for Iron Mountain where they visited with the Sidney Lucas Sr. family.

Thomas Jefferson was the first U. S. president to send a written message to Congress.

A SEPT. 19 WEDDING is being planned by Miss Alice Padilla, daughter of Mr. and Mrs. Porfirio Padilla of 4020 Palmer Drive, Ogden, Utah, and 1st Lt. David L. Viau, United States Air Force, son of Mr. and Mrs. Laurence J. Viau of 1819 Grand Ave., Escanaba. The ceremony will take place at St. Joseph's Catholic Church, Ogden. Her fiancé received his degree from Michigan Technical University, Houghton.

Births

DAHN — Mr. and Mrs. Dayton Dahn of Brampton are the parents of a daughter, Joanna Lynn, born at St. Francis Hospital Aug. 18 at 5:59 p. m. The infant weighed 6 pounds and 10 ounces. Mrs. Dahn is the former Barbara Ann Eagle.

Church Events

Bethany League
Bethany Lutheran Junior League will have an interview with Pastor Walfred E. Nelson today, Aug. 19, at 7 p. m. in the Youth Education Room. Refreshments will be served.

Cooks

Mr. and Mrs. Peter Thelander, Jr., have left for Batavia, Ill., where Mr. Thelander will attend a class reunion and from there they will go to Blissfield, Mich., to visit his brother Donald and family. They will also visit New York to attend a postmaster's convention and see the World's Fair and Niagara Falls before returning home via Maine and Canada.

Mr. and Mrs. Willard Webb and daughter Nancy of Akron, Ohio, returned after visiting her brother and sister-in-law, Mr. and Mrs. Paul Rhoads. Gwynn Minor, daughter of the Fred Minors, is a surgical patient at University Hospital in Ann Arbor.

Mrs. Alton Carley and daughter Cherri have returned after visiting relatives and attending the Jehovah Witness meeting in Duluth.

Mrs. Harold Poupore and family have returned after visiting with Mr. Poupore in Pontiac where he is employed. Mrs. Maurice Chandler and children are home after visiting Iron Mountain.

Mr. and Mrs. George Raymond have returned to their home in Detroit after visiting with Mr. and Mrs. Paul Rhoads.

Word has been received of the birth of a 10 lb. baby boy August 10 to Mr. and Mrs. Leonard Walter of Birmingham, Mich. The paternal grandmother is Mrs. Louise Walter.

Rock

Al Barron and Clarence Lusardi have returned to Chicago after attending the reunion of the George Lusardi family.

Wayne Sharkey has returned after a week visit in Chicago. Ele Thorson and Martha McCarthy of Chicago are spending a week at the Thorson cottage west of Rock.

Mr. and Mrs. Harry Culver have returned home after attending the reunion honoring her grandfather, George Lusardi. Mrs. Culver, who was Port Washington's first woman mail carrier four months, has resigned to become a case worker for the Welfare Department of Ozaukee County.

Maini Halmeoja was dismissed from St. Francis Hospital Monday.

Garden Peninsula

Kathy Deloria who has been visiting her grandmother, Mrs. Kate Deloria returned to Manistee Saturday. She arrived a week ago accompanied by her father, Robert Deloria, and brothers James and Robert who spent the weekend at the Deloria home.

James Casey and granddaughter Mary Ann Conroy of Lansing, Ill., were guests of Frank Gray for three weeks.

Mr. and Mrs. Ronald McKeon left for their home in Flint Monday after spending a week with his mother, Mrs. Angeline McKeon.

Mr. and Mrs. Glen Wallace and daughter Cindy of Detroit are vacationing for a week at the home of her mother Mrs. Fred Rochefort.

David Lester returned Saturday from a visit in Manistee at the home of his uncle and aunt, Mr. and Mrs. Ed Guertin Jr. The previous week he visited in Stephenson with his grandparents, Mr. and Mrs. Ed Guertin Sr.

Mrs. Virgil Pizzala and three children returned to Flint Tuesday after visiting for several days with relatives and friends while staying at the summer home of Mrs. Nora Lester.

Mr. and Mrs. James Lucas and family of Boston, Mass., spent the weekend at the Sid Lucas home. They left Monday for Iron Mountain where they visited with the Sidney Lucas Sr. family.

Mr. and Mrs. Eugene Bernier and daughter Becky left for Pontiac where they will make their home. Mr. Bernier, who is employed in Pontiac, spent his vacation visiting the Eugene Bernier Sr. and Hattie Winter families.

Dinner guests at the home of Rufus Spaulding Sunday were Stewart Jensen, Milwaukee; Mr. and Mrs. William Jensen, Escanaba; Mr. and Mrs. Jack Campbell and family, Livonia; Mr. and Mrs. Alex Busch and children, Manistee.

Mrs. Angeline McKeon was admitted to St. Francis Hospital Sunday as a medical patient.

Mr. and Mrs. Richard Casey and three daughters returned to Homewood, Ill., after spending two weeks at the home of Frank Gray.

Mr. and Mrs. Robert Stelwagen, who were guests at the Fern Mellon and Lottie Stelwagen homes for three weeks, returned to Detroit Monday.

Sister M. Zoe and Sister M. Corinne of the Immaculate Heart of Mary Convent, Detroit, spent the weekend visiting with their mother, Mrs. Angeline McKeon.

Mrs. Hattie Winter returned home Sunday after visiting for several days in Gladstone with Mr. and Mrs. Ed Thompson and family.

June LaVallee, Mrs. Joseph Prohaska, Joan Prohaska and Mrs. Alfred LaVallee returned recently from a trip through Canada and New York. Enroute home through Lower Michigan they visited the Jack Thousand and Jack Minor families in Detroit and Mr. and Mrs. John LaVallee in Flint.

Mr. and Mrs. Tom Tobin and family of Springfield, Va., visited at the Virgil Winter home. Mr. and Mrs. Ed Guertin Sr., of Stephenson spent the weekend at their home in Garden.

By AMY MOBERG

A hoyo vine, or Hawaiian tears plant, associated with the forbidden romance of young lovers, is the center of attention in the flower exhibit at this year's Upper Peninsula State Fair.

The plant actually "sheds tears," according to the legend associated with it, over the unhappy love of an island princess and a simple fisherman, who jumped from a cliff in each others' arms.

Then a cloud of pink stars carried them off to heaven, so the story goes, and the stars returned to the hoyo vine and stayed to weep.

Powers-Spalding Class Of '54 Holds Reunion

POWERS-SPALDING — The Powers-Spalding class of 1954 held its ten-year reunion Saturday evening at the American Legion Hall.

A tour of the school preceded the chicken dinner at 8, prepared by Mrs. Joseph Vorin and Mrs. Ronald Gaten. The class colors, blue and white, were used in the decorations. Blue and white tapers and gladioli formed the table centerpiece, with a cake, baked by Mrs. Lawrence Savord and decorated by Mrs. Ray Gardapee. The cake was book-shaped with the inscription, "Happy Reunion, Class of '54."

Attending were: Mr. and Mrs. Lawrence (Martha Page) Savord, Hermansville; Mr. and Mrs. John (Janice DuBois) Henderson, Sheboygan; Mr. and Mrs. Earl (Rosemary Bellefeuil) St. John, Spalding; Mr. and Mrs. John (Beverly Savoie) Kadow, Milwaukee; Mr. and Mrs. Phillip (Susan Montpas) Walker, Great Falls, Mont.; Mr. and Mrs. John Hafeman, Mr. and Mrs. Earl Wentland, Mr. and Mrs. Ralph Veaser, Powers; Mr. and Mrs. Sanford (Dorothy Cory) Strand, Spalding.

Gifts were given to: Mrs. Savord for having the oldest child and being married the longest; Mr. Hafeman, youngest child; Mrs. Walker, traveling the greatest distance; Mr. and Mrs. St. John, no children; Mrs. Walker, most children, and Mr. Wentland, guest award.

The arrangements were in charge of Mrs. Savord, Mr. and Mrs. St. John and Mr. and Mrs. Strand.

The vine's delicate blossoms consist of a pink star topped by another tiny waxy star. Sugar tears form before the two stars and ooze across the petals blossoms before falling just like real tears.

But, to get back to down to earth facts about the Floriculture Department, according to the Mrs. Robert Jensen, Superintendent, and Mrs. William Johnson, assistant superintendent, both of Groos, the exhibit is the biggest in the history of the fair. The cut flowers from carefully tended gardens occupy one complete tier and half of the other, usually filled with potted plants.

The dahlias, these gracious and obliging heads of the department, describe as "out of this world."

House plants include a striking amaryllis, many of the popular African violets, with white, purple, blue and pink blossoms, a dusky purple ageratum, coleus and an unusually large baby tears.

Every kind of garden flower is exhibited but the wild flower arrangements are fewer than in other years.

The entries came in one grand rush, Mrs. Jensen said, and Walter Wickert, the able judge, assisted by Walter Nelson, worked at top speed to determine the prize winning exhibits before the opening day crowds arrived.

The beautiful exhibit must be removed Thursday evening, to provide space for the Gladiolus Show, a U. P. Fair headliner, which will open Friday morning.

Personals

Mrs. Mary Howard, of Oak Park, Ill., is visiting with Mrs. Al Lauscher, 910 Superior Ave. Gladstone.

Mr. and Mrs. Donald J. Villeneuve and four children of Tucson, Ariz., are vacationing at the home of Mr. Villeneuve's parents, Mr. and Mrs. E. C. Villeneuve, 1825 3rd Ave. S.

Mr. and Mrs. Anthony Stapleton and daughter, Susan, of Chicago are visiting with the Harvey Millers, Ford River Rd. Mrs. Stapleton, the former Donna Miller, is a daughter of Mr. and Mrs. Miller.

A roof thatched with weather is good for a century without repair.

Mead Again In Fore As Paper Industry Grows

Mead Corp.'s last big venture into capital investment for expansion hurt its profit standing but hasn't made it gunshy about another round of the same, reports *Forbes* Magazine in its August issue.

In an article "Here We Go Again?" *Forbes* says the paper industry is getting more enthusiastic every day about a big new growth stage, but adds a note of caution on what happened the last time the same thing happened.

It suggests that the \$16 billion U. S. pulp and paper industry seems at first glance to be putting itself in the way of trouble again by starting big spending on development, but that the big spending plans wouldn't necessarily be alarming "if it weren't for the fact that U. S. papermakers haven't yet recovered from their last spending binge. Between 1955 and 1960, an overly optimistic industry added 24 per cent to its plant capacity, building its

up to 41.3 million tons. Production over that stretch rose only 14 per cent and the inevitable result was a cut in prices and profits."

The industry's spending plans are based on a conviction that by 1970 the U. S. will be consuming some 55 million tons of paper annually, a 34 per cent increase over 1964's projections. President of Mead Corp., says "I know this \$930 million (of U. S. capital outlay this year) looks like a lot, but it's barely enough to fill the markets we see down the road."

No company has more reason to be cautious, suggests *Forbes*, than Mead Corp., because last time around it rose from 12th to 5th in sales, but "wound up dead last among the major companies in profitability." Its operating profit margin slipped from 17 per cent to 9, its return on equity from 13 per cent to 6.

Once-burned Mead, however, hasn't turned shy. Talbott Mead, a son of the founder, says "If the industry is going to grow by 40 per cent by 1970, then our sales ought to grow by 50 per cent."

To prepare for it Mead has launched an expansion program that in some ways dwarfs its effort of the 1950s. In the next 5 years it plans to spend \$200 million on plant expansion — or nearly \$50 million more than the company's capital expenditures of the past 10 years. It has signed for a half interest in a \$50 million mill in British Columbia and half of a containerboard facility in Alabama.

In acquiring 31 companies since 1954 Mead has increased its outstanding common stock by 121 per cent to 5.7 million shares. While it netted \$14 million last year against only \$10.6 million in 1955, its \$2.60 a share profit was actually 17 per cent smaller. What Mead got out of its growth was a three-fold increase in sales to \$468 million in 1963.

"In this year's prosperity," said *Forbes* "Mead has started to reap some of the benefits. Its profits rose 24 per cent to \$1.58 a share in the first half, but Vice President Mead said 'Almost none of the gain in profits came from more sales.' Lower taxes and a cost-reduction program accounted for Mead's 31 cent earnings increase in the first half."

Executive Vice President James McSwiney said "We think there's some fantastic growth ahead. It may leave the industry overproduced again by 1967 or 1968, but this is no time to be scared."

Forbes said Chairman Howard E. Whitaker and President George Pringle should be retiring in the next year or two and that McSwiney and Mead expect to take over as president and chairman, respectively and they are now undertaking some of the paper industry's most ambitious projects.

Hart's Park Plan Criticized

BENTON HARBOR (AP) — Mrs. Elly Peterson, Republican candidate for the U. S. Senate, blasted Sen. Philip Hart, D. Mich., and President Johnson Tuesday.

On a campaign tour of Berrien County, she attacked Hart's Sleeping Bear Dunes proposal which would turn the Lake Michigan dunes area into a national park.

She complained that the bill would "effectively and senselessly disposes 1,600 Michigan homeowners and wreck the school district financing in Benzie and Leelanau counties."

Mrs. Peterson, former GOP national vice chairman, urged backing of a bill by U. S. Rep. Robert Griffin, R-Mich., to create "a more modest lakeshore park."

She also criticized the job corps — a part of the President's anti-poverty campaign — adding:

"The job corps, its sponsors now admit, will not train our unemployed young men in needed skills or fit them for employment after they leave the corps."

Barry Concedes 3 U.P. Counties

There were 139,928 registered voters in the last presidential election in the Upper Peninsula and Republican Presidential Nominee Barry Goldwater has set a goal of more than half of them in the Nov. 3 election.

General Eisenhower set the recent Republican high mark of voting in the Upper Peninsula in 1956, tallying 76,318 votes.

Senator Goldwater has set a campaign goal of 76,313 in the U. P.

The number of registered voters is 139,928 so Goldwater's goal is more than 6,000 more than half of the vote. His goals project victories in 12 counties of the Upper Peninsula and

Satellite Could Save Millions On Network For TV

JACKSONVILLE, Fla. (AP) — A space communications expert says it is possible by use of a satellite to blanket North America with one television station at a cost of \$30 million, compared to the \$500 million a full network costs.

George S. Shaw, senior vice president and cofounder of Radiation Inc., of Melbourne, Fla., said Monday, "A communications satellite in synchronous, or apparently stationary, orbit can beam a television signal which has been relayed to it from a ground source and provide continuous programs."

More people get more news from newspapers than from all other sources combined.

Trio Arraigned In Fatal Arson

ALPENA (AP)—Three persons, charged with arson in connection with a house fire in which a man was fatally burned were held on \$5,000 bond Tuesday after waiving preliminary examination, police said.

The three, James Ridgely, 24, his brother George, 25, of Proctor, Minn., and Mrs. Georgia Faye Luepp, 21, of Duluth, were arraigned in municipal court and were bound over to Circuit Court for trial.

All three were questioned by Alpena County Prosecutor Joseph Swallow, according to Alpena Police Chief Lorenzo Walker.

The trio arrived in Alpena Tuesday in the custody of police officers who had brought them back from Duluth where they were arrested Sunday.

Victim of the blaze was Charles L. Ridgely, 22, of Proctor, brother of the charged men. He died Sunday after he was found near a blazing two-story frame house in Alpena. His clothes were set on fire by the blaze which according to police, was started with the help of a flammable liquid.

The destroyed house belonged to Norman Jolicœur, of Superior, Wis., an official of the Inland Boatmen's Union. He recently was transferred to Duluth.

Police have said they were investigating a union jurisdictional fight as a possible motive in the fire. The boatmen's union and an operating engineer's local have been involved in a dispute over which should provide the manpower for some waterfront dredging work in Duluth.

"FREE DELIVERY IN THE U. P."

U. P. FAIR QUEEN candidates met for the first time this morning at the fair grounds and were briefed about the day's activities which include a noon luncheon, appearance at the grandstand in costume, a banquet and the coronation of the queen tonight at 8:15. Shown here with Mrs. Arthur Carlson, contest director are from left Linda Blang, Miss Naubinway; Barbara Simmons, Miss Flame of Cedarville; Gerri Dewane, Miss Fun-O-Rama of Menominee; Mrs. Douglas Olson, the former Elaine Barley of Menominee, 1958 U. P. State Fair Queen, and Mrs. Carlson. (Daily Press Photo)

Queen Of Fair Named Tonight

Twenty lovely girls from nine counties in the Upper Peninsula were greeted this morning at the U. P. State Fair grounds as they gathered for the preliminaries of the Queen Contest.

Mrs. Arthur Carlson of Escanaba, queen contest director, met with the contestants and explained the contest procedure. They met with the judges for the first time at a noon luncheon at the Sherman Hotel. Each candidate will give a brief speech on her theme.

This year's judges are Mrs. Ralph Fuller, Newberry, Mrs. Joyce Hart, Detroit and Leo Brunelle of Bark River.

At 2 p. m. the candidates will appear in costume at the grandstand and be interviewed. The afternoon performance is free to the public.

This evening the young ladies will be judged in formal gowns at the annual queen's banquet at Marco's. Following the banquet the girls will leave for the fairgrounds and the coronation ceremonies.

Kemp Brown of Munising, chairman of the U. P. State Fair Board, will crown the new queen. Pages who will carry the crown and robe are Faye Pakarinen, daughter of Mr. and Mrs. Ray Pakarinen, 505 N. 19th St., Rosemary Hakes, Rte. 1, Escanaba, daughter of Mr. and Mrs. Orville Hakes.

Delta county's queen candi-

dates are Marlys Carlson, Rapid River's Homecoming Queen; Jane Seymour, Miss American Legion of Bark River; Mary Kent of Fayette, Blessing of the Fleet Queen; and Margaret Storch, Perkins Lions Club Queen.

Menominee County has three candidates: Sue Ann Wilson, Miss Farm Bureau of Stephenson; Gerri Ann Dwane, Miss Fun-O-Rama of Menominee; and Gloria Sager, the Junior Recreation Queen of Daggett.

Gogebic County is represented by Renee Semo, Miss Ironwood of that city; Marquette County's entry is Mary Ellen McGuire, Marquette Harvest Festival Queen; and the entry from Schoolcraft County is that county's queen, Miss Christine Mathson of Manistique.

Luce County has two candidates, both of Newberry. They are Mary Knauf, Harvest Queen, and Winifred Thorley, Tahquamenon Water Carnival Queen.

Houghton County is sending three candidates: Linda Mikko, Chassell Strawberry Festival Queen; Kathleen Martin, Hancock, U. P. Potato Queen; and Julie Ann Cencich, who is Miss Laurium.

Mackinac County has three entered in the contest: Barbara Simmons, who is Miss Flame of Cedarville; Sue Richlen, Miss St. Ignace; and Linda Rae Blang, Miss Naubinway.

Alger County's candidates are Trudy Lee Dolaski, Miss Alger County; and Miss Chatham Lions Queen, Phyllis Ylitalo of Chatham.

OPPORTUNITY UNLIMITED for RESIDENT MANAGER in ESCANABA

Danforth

Birth

Mr. and Mrs. John Huff of Kenosha are the parents of a daughter, Karen Sue, who weighed 7 pounds and 7 ounces at birth Aug. 17. Mrs. Huff is the former Betty Hammerberg, daughter of the Arthur Hammerbergs. The Huffs have two other children, Jeffrey and James.

Birthday Party

Mrs. Felix Johnson was honored at a birthday party at her home recently. Games were played with prizes and Mrs. Harry Blixt received the guest award. A party lunch was served.

Mr. and Mrs. John Nikolaus and Gary and Ricky returned to West Allis, Wis., after a visit with Mrs. Nikolaus' parents, Mr. and Mrs. Peter Larson.

More than 27 million Americans ride bicycles, according to the Encyclopaedia Britannica.

Drought, Cold Affect Exhibits

Agricultural exhibits at the U. P. State Fair show the adverse effect of early drought and cold, reports Mel Nyquist, department superintendent.

There's neither the quality nor quantity of other years, he said. "In fact this is the poorest showing in the 12 years I've been connected with the Fair," said Nyquist, who is Marquette County extension director and was formerly Delta 4-H agent.

There was drought and cold weather in early spring, followed by excessive heat in July, Nyquist pointed out. This has affected whole areas of the Upper Peninsula. In fact five or six U. P. counties have been designated disaster areas, he added.

The adverse weather has sharply reduced agricultural representation at the Fair. One exhibitor who last year had 25 entries this year has but three, Nyquist said. One Menominee County orchard owner, who has always had apples at the fair, this year had none and reported that none were ready for picking.

Potatoes, the No. 1 cash crop in the Peninsula, were remarkable for the few entries and the generally poor showing. There was not one blue ribbon awarded for potatoes by Judge David H. Smith.

Forage crops are down—no wheat or barley this year—and this too was ascribed by Nyquist to the poor weather that afflicted most of the Peninsula this growing season.

Three Injured In 2-Car Crash

Three persons suffered minor injuries and one continues a patient in St. Francis Hospital today following the collision of two cars on U. S. 2-41 at Memory Lane at 10 p. m. Tuesday.

Escanaba police ticketed Elmer J. Bonifas of 1697 Lake Shore Drive for failing to yield the right of way.

The other car was driven by James R. Ray of Powers. Passengers in his car were James, Elaine and Kelly Ray of Escanaba Rte. 1, all of whom suffered minor injuries. James Ray's condition was reported as "good" at St. Francis Hospital. The others were treated and discharged.

Hermansville

Methodist Services

Effective Sunday, Sept. 6 church services will be held at 9:15 a. m. EST at the Hermansville Methodist Church. This new time will prevail until further notice.

Menke, Bowers Top Honors In Milk Production

The top dairy farmers in the Upper Peninsula were named and honored at the annual dairymen's banquet at the U. P. State Fair Tuesday night and they are, in order:

Charles Menke of Stephenson and Melvon Stahl of Dafer in the big herd division (25 cows or more) and Gail E. Bowers and Sons of Stephenson and Carl Martinson of Bessemer in the small herds division, (24 cows or less.)

Menke's championship herd of 33 animals averaged 13,734 pounds of milk and 510 pounds of fat. His milk was 3.7 per cent butterfat.

Stahl, of Chippewa County, with a 40 cow herd averaged 12,930 pounds of milk of 3.9 per cent and 506 pounds of fat.

The Bowers' Hon - E - Nol Farm in Menominee County had 11 animals that averaged 16,171 pounds of milk of 3.6 per cent of bf and 590 pounds of fat.

Martinson's 19 cow herd in Gogebic County averaged 14,164 pounds of 3.9 per cent bf milk and 552 pounds of fat.

The other top dairymen of the Upper Peninsula who received awards of merit in the Dairy Herd Improvement Association testing program were by counties and herd animal numbers, with average milk and butterfat production per cow:

Detroit Jumps From Parachute Five Miles Up

DETROIT (AP) — A Detroit organization has claimed a Michigan altitude record for a parachute jump made Sunday from nearly five miles up—where the temperature is 5 below zero.

Atlas Skydiving Center Inc. said Robert Painter, 27, of Detroit, jumped from a single-engine Cessna 180 at 25,000 feet and landed within 35 yards of a target near Wixom.

The old record was 20,500 feet, set near Monroe, the club said.

Painter fell free for one minute and 45 seconds before opening his parachute at 2,500 feet—about half a mile.

The club said it hopes to make a jump from 60,000 feet—or more than 11 miles—this fall. It is seeking a plane for the high altitude operation. It said the national record is 42,000 feet.

Model Planes Fly Friday

The annual model airplane flying contest will be held at the infield of the grandstand area at the Upper Peninsula State Fair Friday, starting at 1 p. m.

A dozen entries are expected to compete in the stunt and combat flying divisions with junior and senior classes in both divisions. Robert M. Richards of Escanaba is in charge of the program.

Bookmobile Out

Menominee County Library bookmobile service has been disrupted because of mechanical difficulties. Borrowers will be notified on dates of the next trips.

U. P. Extension Dairyman Jack Little presided at the dairymen's banquet and introduced State Agricultural Director George McIntyre, Fair Board Members Chairman Kemp Brown, Munising; Carl Hansen, Menominee and Erling Arntzen, Escanaba and other notables, including artificial breeding officials and U. P. Extension leaders.

Dr. Charles Cole, Upper Peninsula veterinarian for the Michigan Department of Agriculture, thanked dairymen and Extension leaders for aid to the department in keeping down animal diseases in the U. P. The area is in an enviable position in brucellosis and tuberculosis control, he said, with 13 of the 15 counties Bang's disease free.

There were 7 herds of reactors in 6 counties in the last TB test. "The Lower Peninsula is not so fortunate," said Dr. Cole.

He said the life of a dairy cow is only 5 years because of reasons prominently including internal and external parasites. "When there are so many that you can almost see them with-out a microscope," said Dr. Cole, "is it any wonder that a cow isn't going to use her feed to grow a calf?"

He reported important strides in the prevention of mastitis, an udder condition which cuts milk production, and said that the accent of more protein feed to produce more milk must continue by a balanced ration.

Mrs. Mosenfelder Speaks On Taxes

Mrs. Robert Mosenfelder, member of the Board of Education of the Escanaba Area School District discussed the four mills proposed to be presented to voters on Sept. 1 at the bi-weekly meeting of the Senior Citizens Committee at the Chamber building Tuesday. She pointed out the 4 mills are being asked for operational expenses.

Pig Scramble Set Thursday

The Agricultural Committee of the Escanaba Chamber of Commerce on Tuesday finalized plans for a pig scramble at the U. P. State Fair Thursday afternoon at 3 p. m. Co-Chairmen George Bathke and Dick Marenger conducted the meeting.

The pig scramble is being sponsored with the cooperation of Fair Manager Ray LaPorte and Larry Bradford, 4-H agent.

The pig scramble, open to 4-H and Future Farmer members has 41 contestants. Wallace Cameron, superintendent of Gladstone schools will be master of ceremonies and Dick Marenger will be a judge.

Pigs were donated by the livestock dealers of Delta County. Felix Johnson of the C-C Agricultural Committee aided in the planning.

Marenger and Bathke said that a large attendance is expected at the Fair Thursday afternoon. George Romney will be a visitor.

Garden Peninsula

Mr. and Mrs. Edward E. Lesac returned to Oak Park, Ill., after spending six weeks at their summer home on Garden Bay.

Logging Parade Will Be Biggest

The parade that will climax the 19th annual Lakes States Logging Congress to be held in Escanaba Sept. 10-12 will be one of the largest in the community's history, promises Lloyd Palmer, Crandon, Wis., executive secretary of the Timber Producers Association of Michigan and Wisconsin.

Palmer spoke to the Rotary Club at its meeting at the House of Ludington Tuesday noon. He was introduced by Rotarian Marvin Pearson, who is general chairman of the arrangement committee for the Congress here.

The Timber Producers Association was formed in 1938 by a group of officers of lumber industries for the discussion of mutual problems, said Palmer. Today it is engaged in a three-fold program of promotion, legislation, and information and information. Emphasis at this year's Congress will be on forest products transportation.

The Logging Congress parade will be on Saturday, closing day of the conference, and Claude Tobin is parade chairman, Palmer announced. Escanaba was host to the Congress back in 1952.

"Much of the equipment that will be in the parade this year

was not in existence back in 1952," Palmer commented. "Fact is, there have been so many advances in the field that much of the machinery wasn't even on the drawing board then."

The State Fairgrounds will be used to display the equipment and the educational displays that will accompany the Congress.

Features of the program will include an exciting tree-felling contest, power sawing contest, pulp loading and log rolling contests. A banquet at the Teamsters Hall is one of the events of the Congress that will attract members of the Association and their families to Escanaba.

The parade is scheduled for 2 p. m. on Ludington St., Palmer reported. Besides Tobin as parade chairman, the Congress committeemen include Jim Douglas and Ted Fordney of Escanaba.

Robert Haack, Rotary Club president, conducted the Tuesday noon meeting of the club. He announced that a Rotary ladies night program will be held Aug. 26, with Dr. N. J. Theisen chairman.

DELTA SEWING CENTER

1017 Ludington St. ST 6-4772
ESCANABA, MICHIGAN

FLAT ROCK 4-H Club members unload bales of hay at the Ed LaMarche farm in Danforth. The club donated the hay to help LaMarche, whose barn, granary and shop were destroyed by fire on July 13. Other county 4-H clubs are also working on projects to help LaMarche. (Daily Press Photo)

County 4H-ers Assist Farmer

Ed LaMarche of Danforth has worked patiently and willingly for 16 years with Delta County 4-H Clubs and area club members finally found an opportunity to repay his kindness.

Ed had lost 80 tons of hay in addition to his barn, granary, handicraft shop and six head of registered hereford cattle. There were 24 head of cattle saved in the July 13 fire that destroyed his property. The prospect of feeding the cattle this winter was somewhat alarming.

The county 4-H clubs worked out this plan: each member of each club would donate just one bale of hay, those members that didn't live on a farm or didn't have hay would buy a bale to donate.

The Flat Rock Club was the first to finish the worthwhile project and delivered a full load of hay to a very surprised and grateful LaMarche.

"After working with kids like these for so long I should not have been surprised. I've never seen it to fail, when you really need the help they are always there," LaMarche said.

There have been four loads of hay delivered to the LaMarche farm, the one from the 4-H club and three from thoughtful neighbors. According to Larry Bradford, Delta County 4-H agent, who gave the idea of donating the hay, four other clubs are currently working on the project.

The way things look today LaMarche will make it through the winter with this supply of hay. The granary which held 500 bushels of grain will have to be replenished later.

A new barn has already been built and the combination granary-shop will be under construction after the U.P. State Fair. This week will be a busy one for Ed as he plans to enter his registered Herefords in the Fair competition. The six head that were lost in the fire were his best show animals but he was determined not to miss the Fair.

LaMarche had also planned to enter his rock collection in the hobbycraft department of the U.P. State Fair but the fire destroyed the showcase he had made for the project so he will

Northern Will Host Bridge Meet

MARQUETTE — Northern Michigan University will be the site of the Lake Superior Sectional Bridge Tournament Aug. 21, 22, and 23. It was announced today by tournament director Theo Fourness of Appleton, Wis.

Sponsored by the Wisconsin Upper Michigan Bridge Association and the Marquette Duplicate Bridge Club, the championship matches will begin at 8 p. m., Friday, Aug. 21 with the final session scheduled for 1:30 p. m., Sunday, Aug. 23.

Membership in the Bridge Association totals 1,450.

put the entry off until next year.

LaMarche is a avid "rock hound" and besides being a leader in conservation, dairy and beef 4-H clubs he also heads an active handicraft group. The shop that was burned housed about \$1,000 in equipment and machines for the handicraft class.

The Mid-County 4-H Club held a benefit dance to raise funds to purchase tools destroyed by the fire. The Nomads Orchestra from Escanaba furnished the music and over \$100 was collected.

Tournament managers have announced pairings for the Upper Peninsula Class A, B and D softball tournaments, including the schedule for teams which survived the Escanaba district tournament. . . . The Class C tourney pairings have not been received from Houghton as yet. . . . Trenary and Mead 3 are the district qualifiers in Class C.

In Class B at Iron River, Flat Rock will see action Friday, Aug. 21, at 9:30 p. m. against the No. 4 team from the Iron Mountain district. . . . There are 10 teams in the double elimination tournament that will extend through Sunday night.

In Class D at Crystal Falls, a revised schedule calls for Ferro Motors to face Ishpeming WJPD Friday night at 9:30. . . . There are 16 teams competing in the single elimination tournament that will come to a close Sunday night.

The Class A tournament will be held next week at Crystal Falls with eight teams in double elimination action. Mead Paper Mill will play its first game Friday, Aug. 28, at 9 p. m. against Copper Country Dairy, the top team from the Copper Country district. . . . That tourney will run through Aug. 30.

Here's how the district tournaments wound up in the Marquette area over the weekend. . . . Bob's Pub of Marquette took the Class A title by defeating Woody's Bar 2-1 in the finals. . . . Peterson's of Gwinn downed MULIC 4-1 in the Class B championship game. Negaunee Jo-Jo's won the Class C crown with a 5-4 decision over Remillard No. 2 and Marquette Pizzarena-Cable TV spilled Remillard No. 1 by a 6-1 margin for the Class D championship.

At Crystal Falls, Iron Mountain Bosch, regular season champion in the Intercounty League, whipped Iron Mountain C&R Bar 10-0 in the tourney finals and will compete in the U. P. Class A tournament. . . . Carl Lemin fired a three hitter in the finals.

The other district champions coming out of the Crystal Falls tourney were Iron Mountain First National Bank in Class D and Iron Mountain Edwards Auto Body in Class C.

Triples—Santo, Chicago, Pinson, Cincinnati and Callison, Philadelphia, 9; Six tied with 7.

Home runs—Mays, San Francisco, 37; Williams, Chicago, 26.

Stolen bases—Wills, Los Angeles, 37; Brock, St. Louis, 30.

Pitching (12 decisions)—Koufax, Los Angeles, 19-5, .792; Bunning, Philadelphia, 13-4, .765.

Strikeouts—Koufax, Los Angeles, 223; Drysdale, Los Angeles, 178.

Winning in the other semifinal match was Elaine Fairchild who downed Gladys Hansen 4 and 3. Beck and Fairchild clash in the championship match this afternoon.

Nelson took the turn with a 2 up margin but Beck steadied to overtake her opponent on the second nine. The match was tied after 17 holes. Nelson had a 47 on her first round while Beck shot a 48.

Nelson was bidding for her sixth club championship this year. Beck is a three-time former champion. Her previous crowns were in 1953, 1954 and 1958.

Fairchild is in the finals at Highland for the second time. She was runnerup to Nelson in 1959. Hansen has been the club runnerup six times in previous tourneys. Tuesday's results:

Championship Flight

Vicky Beck over Carolyn Nelson 1 up
Elaine Fairchild over Gladys Hansen 4 and 3

Consolation

Blanche LaCrosse over Martha Friets 4 and 3
Caroline Olson over Doris Costley 3 and 2

First Flight

Sally Morin over Sue Sarnowski 1 up
Lenore Palmgren over Mugs Beauchamp 1 up

Consolation

Lu Barnhart over Blanche Christie 2 up
Lorraine Teal over Babe Johnson 3 and 2

Nine Hole

Lorraine Dailey over Carole Daniels 2 up
Clarice Pascoe over Mabel Oslund 1 up 10 holes

Consolation

Bernice Robinson over Lu Zeno 5 and 3
Armine Sundquist over Chris Chaudoir 1 up 11 holes

Youngest Gal Is Impressed

HUTCHINSON, Kan. (AP) — Petite, refreshing Marsha Houghton, the youngest player in the U.S. Women's Amateur Golf Tournament, seems not the least surprised at being ranked high in today's first round of play.

"I'm impressed by all these big names," said the 14-year-old Modesto, Calif., school girl after posting rounds of 77-77-154 in the 36-hole qualifying.

She was three strokes off the pace set by JoAnne Gunderson of Seattle, Barbara McIntire of Colorado Springs and Polly Riley of Fort Worth, who shared medalist honors at 151.

Miss Gunderson and Miss McIntire, both former winners, posted second rounds of 74 — one over par for the Prairie Dunes Country Club course — while Miss Riley, finalist in this event in 1953, turned in a 75.

Athletes Get Second Chance For Olympics

NEW YORK (AP) — Thirteen athletes, including Jim Beatty, are getting an unprecedented second chance to make the Olympic track and field team.

The athletes, including seven track men and six field event specialists, were passed into the final Olympic trials, to be held Sept. 12-13 in Los Angeles by a board composed of five members of the Olympic Track and Field Committee Tuesday.

This is the first time it has been possible for athletes to have a second chance to make the team after failing to qualify in the tryouts. The Olympic committee allowed appeals by those who felt their showing in the New York trials should not be considered a true test of their capabilities. Others were injured and didn't compete in New York.

A total of 48 athletes made written appeals, although a complete list was not disclosed. Beatty, of Los Angeles, was the most prominent of the athletes advanced. The former world record holder for the indoor mile, withdrew from the 5,000-meter race in the New York trials with a leg cramp, and has had a relatively poor outdoor season.

It was felt, however, that his 8:38 clocking in the two-miles earlier this year was an indication that he hasn't passed his peak.

Other athletes passed into the Los Angeles trials were Cliff Cushman, Air Force colonel and 1960 silver medalist at Rome, in the 400 meter hurdles; Bernie Rivers, New Mexico U. sophomore, 200 meters; Dave Archibald, San Diego, 400 meters;

ON ANOTHER CLUB—Mickey Mantle Jr. is not concentrating on his father's club. The 11-year-old son of the Yankee slugger is paying close attention to his putter, since he already can drive a ball 200 yards.

Wicklander Bows In Second Round At Country Club

Defending champion Marie Wicklander was sidelined by Dorothy Anderson, 3 and 2, in a second round match in the Escanaba Country Club women's golf tournament Tuesday.

Anderson, two time former club titlist, carded a 45 on the first nine and took the turn with a 2 up advantage over Wicklander who had won the Country Club title the past two years.

Two other past champions tasted defeat in the quarterfinals as Sally Fontaine beat Rosemary LeMire 1 up in 19 holes and Harriet Fitzharris over Gloria Hansley 1 up 21 holes. In yesterday's other match in championship flight Lou Berglund, who was runnerup in the tournament three years ago, scored a 3 and 2 victory over Mary Sue Boyce.

Fontaine took a three hole lead at the end of the first nine in her match with LeMire and Fitzharris pulled away by four holes at the turn in her match with Hansley.

The tournament will continue today and the championship match will be played Thursday afternoon.

Tuesday results:

Championship Flight

Dorothy Anderson over Ma-

rie Wicklander 3 and 2
Lou Berglund over Mary Sue Boyce 3 and 2
Sally Fontaine over Rosemary LeMire 1 up 19 holes
Harriet Fitzharris over Gloria Hansley 1 up 21 holes

First Flight

Doris Swanson over Peg Douglas 3 and 2
Betty Gauthier over Kay Christensen 7 and 6
Marilyn Knoll over Marg LeMire 1 up 19 holes

Second Flight

Betty Bennett over Rena Rodman 1 up
Shirley Shomin over Jan Vinette 2 up

Third Flight

Fran Johnson over Nona LeHouillier 7 and 5
Honey Joran over Carol Hartson 8 and 7

Harris Beats Highland Par

Jerry Harris led Highland Twilight League golfers as he dipped to a sub-par 34 in last night's play. Besides Harris' 34, Mel Manske and Bob Turner matched par with rounds of 36, while Dave Friets fired 37, Jack Smith and Lanny Johnston 38, and Jerry Martin and Dick Nelson 39.

The Pel Melers clung to their top spot, but the Free Swingers edged closer with a 9½ point performance. The Sod Rusters moved into fifth place, just 8 points out of a pay-off spot with a 12-point push.

Team standings: Pel Melers 120, Free Swingers 112½, Has Beens 107, Barney's Beavers 100, Sod Busters 99, Smitty's Smackers 97½, Hackers 91½, Doug's Dubbers 90, Divot Diggers 84, Rum Dums 83½.

Belinsky Won't Go To Hawaii

LOS ANGELES (AP) — Bo Belinsky will refuse to be optioned to Hawaii of the Pacific Coast League, his attorney says.

Belinsky, suspended from his job as a lefthanded pitcher for the Los Angeles Angels, has 72 hours to report to Hawaii or face another suspension, the club said today.

Belinsky was originally placed on suspension after an altercation with sportswriter Braven Dyer.

Escanaba Police Win Top Honors In Pistol Shoot

The Escanaba City Police Dept. took first and second places in the Class B team event in the 20th annual Upper Peninsula State Fair pistol shoot at the fairgrounds range Monday.

Firing on the first place team were Joseph Corcoran, James Larson and James Stacewich. Members of the team that finished in the runnerup spot were John Robitaille, Robert Coan and Miles White. The Soo Auxiliary Police team placed third in Class B.

Gladstone City Police topped the Class C team division with James Norick and Robert Anderson shooting.

Winner of the Class A team competition was Michigan State Police.

A field of 41 shooters took part in the matches, sponsored by the Upper Peninsula Law Enforcement Officers Assn. and the U. P. Fair Board. Team and individual trophies were awarded at the tournament banquet at the House of Ludington Monday evening.

Waving Arms Irk Dark; Giants Lose

By The Associated Press

If you see it Al Dark's way, the San Francisco Giants were beaten in the first game of their vital home stand by three arms.

Dark, whose Giants are trying to overhaul National League-leading Philadelphia, wasn't too happy about the job done by Jim O'Toole's left arm as the Cincinnati ace pitched the Reds to a four-hit, 1-0 victory Tuesday night.

But what made the San Francisco manager furious was the feeling that the Giants were really given the business by Vada Pinson's waving arms.

The situation that angered Dark arose in the eighth inning of a scoreless duel between O'Toole and Bob Bolin, who had limited the Reds to two hits when they suddenly parlayed a walk, a bunt single, an error and Pinson's arms into the game's only run.

With one out in the eighth, Chico Ruiz walked and reached second on Marty Keough's bunt single. Pinson then lofted a

Aguirre's Luck Continues Bad; Detroit Splits

DETROIT (AP) — Hank Aguirre continues to be the hard luck pitcher on the Detroit Tigers' staff, while Mickey Lolich admits he had all the luck in the last eight innings Tuesday night.

Aguirre was the losing pitcher in the first game of the two-night doubleheader, though giving up only three hits. Lolich won the nightcap on another three-hitter as the Tigers and Los Angeles Angels traded 1-0 decisions.

Aguirre, now 2-7, served up a home run pitch to Vic Power in the second inning and that proved enough as Dean Chance hurled his second straight two-hitter and recorded his eighth shutout of the season.

"Aguirre's had some bad games this year," Manager Charlie Dressen said. "But he's pitched some dandies and came out on the short end."

He indicated that he still felt the tall lefthander could come through and beat a few of the contending teams in the last six weeks of the season.

Lolich, who said he was tired and hungry—he'd had a light breakfast and a sandwich all day, gave up three singles in the first inning and shut the door on the Angels from then on.

"The difference between the first inning and the rest of the game was luck," Lolich said. "Two of those hits weren't exactly boomers, you know."

Jim Piersall led off with a sharp single to left and Power looped a single to right. Then Dick McAuliffe made a fine backhanded stop of Joe Adcock's hit through the middle but was unable to make a play.

Lolich then got Lu Clinton on a foul fly and fanned Bob Perry.

A third-inning walk to Jim Fregosi and a throwing error by Don Wert on Piersall's grounder in the fifth gave the Angels their only other runners. Lolich struck out 10.

"I had real good rhythm, my fast ball was good, in fact, all of my pitches were good," Lolich continued.

Lolich is serving a two-week hitch with the Air Force National Guard and flew in from Alpena for the game. He will return to Detroit this weekend and will not be available again until the following Sunday.

The Tigers scored their only run of the night in the first inning when Jerry Lumpe singled, went to second on an infield out and scored on Gates Brown's single.

Flying Orioles Maintain Lead In American League

By The Associated Press

The Baltimore Orioles are flying again, but they haven't reached Mickey Lolich's altitude.

The Orioles, recovering from two straight losses to the New York Yankees, defeated Boston 5-2 Tuesday night and maintained their 1½-game lead over Chicago in the American League pennant race.

Lolich took time out from a two-week hitch with the Air Force for a three-hit 1-0 shutout over the Los Angeles Angels in the second game of a two-night doubleheader. The Angels won the opener 1-0 behind the two-hit hurling of Dean Chance.

Elsewhere in the AL, the White Sox nipped the Yankees 4-3 in 10 innings. Minnesota whipped Washington 6-1 and Cleveland downed Kansas City 5-1 after losing 13-9.

Norm Siebern and Boog Pow-

ell led the Orioles' attack, each bashing a two-run double off Boston starter Bill Monbouquette. Siebern hit his in the three-run fourth inning while Powell connected in the sixth.

Dick Hall preserved Robin Roberts' 11th victory against five defeats. Hall relieved Roberts in the seventh after Ed Bressoud sliced a leadoff single. Hall retired the Red Sox the rest of the way.

The Yankees held a 3-0 lead over the White Sox until Floyd Robinson drove a three-run homer against Al Downing in the eighth. Chicago won the game with two out in the 10th on singles by Al Weis, Pete Ward and Mike Hershberger. Phil Linz tripled twice for New York, driving in one run and scoring two. The loss dropped the Yankees four games behind the Orioles.

Don Mincher belted his 17th

12:50 a.m. local time curfew since NL President Warren Giles lifted the time ban to allow all games to be played to a decision.

The St. Louis Cardinals, meanwhile, moved into fourth place as Ray Sadecki posted his 15th victory in a 5-2 triumph over Houston, Milwaukee's Denny Lemaster four-hit the Los Angeles Dodgers 3-1 and Joe Christopher slammed a homer, two triples and a double in the New York Mets' 7-3 walloping of Pittsburgh.

Amalfitano put an end to the Cubs-Phillies' marathon with two out in the 16th when he doubled after Andre Rodgers singled and pinch hitter Dick Bertell walked. The Cubs needed both runs as Philadelphia catcher Clay Dalrymple, who had committed a costly two-base error earlier, homered in the bottom of the 16th.

Dalrymple's error came after Amalfitano had homered in the eighth for the first run off Dennis Bennett, who had allowed only four hits and held a 1-0 lead. Dalrymple fired wild on a high bouncer in front of the plate by Leo Burke, who then scored on a double by Ernie Banks.

The Phillies tied it in the ninth when Alex Johnson, running for Wes Covington, who had singled, stole second and scored on Tony Taylor's single.

Sadecki, 15-9, won his own game in the seventh inning when he tripled and scored the run that broke a 2-2 tie on Lou Brock's single. Sadecki then turned the pitching over to Barney Schultz, who held the Colts in check the rest of the way.

Lemaster, bringing his record to 13-8, got the only runs he needed when batterymate Ed Bailey singled home two in the sixth inning after the Braves loaded the bases on an error, Lee Maye's single and a walk. That tagged Don Drysdale, 13-13, with the loss.

Christopher carried the load for the Mets, driving in three runs and scoring two. Ron Hunt chipped in with three hits in support of Al Jackson, who was tagged for a homer by Gene Freese but extended New York's winning streak to three games.

Football Rules Meeting Here On Aug. 28

A 1964 football rules meeting will be held at Escanaba Area Public High School Friday, Aug. 28, under the direction of the Michigan High School Athletic Assn. The meeting will begin at 8 p. m.

A representative of the MHSAA will attend the meeting to discuss rules changes, interpretations and other association matters and the movie "This Is Football" will be shown.

Other football rules meetings will be held at Marquette Aug. 24, Houghton Aug. 25, Bessemer Aug. 26, Iron River Aug. 27 and Rudyard Sept. 1.

East Winner In Cage Game

MONTICELLO, N.Y. (AP) — Oscar Robertson's long jump shot with less than three minutes to play sparked an East team to a 90-88 victory over a West squad Tuesday night in the sixth annual Maurice Stokes Benefit Game played by stars of National Basketball Association clubs.

The game, played at Kutscher's Country Club, drew a crowd of 2,200 and added \$7,500 to the fund for Stokes, a former Cincinnati Royal star who was stricken by a paralytic disease at the height of his NBA career.

The game, which attracted 25 of the league's top performers, boosted the Stokes Fund to \$32,500.

Name Netters For Davis Cup

NEW YORK (AP) — Chuck McKinley and Dennis Ralston, the two-man combination which wrestled the Davis Cup from Australia last year, were named today to head a seven-man team for defense of the trophy next month.

Meanwhile, fear that the wily Melbourne fox, Harry Hopman, might be planning a fast one for the Challenge Round was eased with the announcement that the Australian tea indefinitely will play in the U.S. National championships at Forest Hills Sept. 3-13.

McKinley and others had expressed the opinion that Hopman would hold his boys out of the Forest Hills tournament and take them directly to Cleveland to get used to the combination clay surface on which the matches will be played.

The Challenge Round is scheduled Sept. 25-27. Players moving directly from Forest Hill's fast grass to Cleveland's

slow clay would have to make quick revisions in their style of play.

Henry Benisch, tournament chairman at the West Side Tennis Club, said, however, that he had talked with Hopman, the Australian captain, on Monday and that Hopman had assured him the entire Aussie team would play at Forest Hills.

Benisch said he also had received a commitment from Rafael Osuna of Mexico, the defending champion, that he would be on hand for his title defense.

Besides McKinley and Ralston, the country's No. 1 and No. 2 ranked players respectively, the squad included Frank Froehling of Coral Gables, Fla., No. 3; Marty Riessen of Evanston, Ill., No. 5; Arthur Ashe Jr., of Richmond, Va., No. 6; Charles Pasarell of Puerto Rico and Clark Graebner.

Ashe, 21, is the first Negro Round squad.

Lopez Figures Bullpen Strength Major Factor

CHICAGO (AP) — The team with the strongest bullpen will win the American League pennant, take it from Al Lopez, manager of the Chicago White Sox.

Lopez, the only man who has broken the New York Yankee pennant stranglehold in the last 16 years by piloting Cleveland to the flag in 1954 and Chicago in 1959, claims this is the age in which pennants are won and lost in the bullpen.

Lopez dipped into his bullpen again Tuesday night and came

up with knuckleballer Eddie Fisher to provide the Sox with their third straight victory, a 4-3 triumph over the Yankees.

Fisher, along with Hoyt Wilhelm and Don Mossi, helps provide the Sox with the bullpen power Lopez feels is necessary to win the flag.

This trio has combined for 14 victories and 26 saves to account for more than half of Chicago's triumphs which have moved the Sox within 1½ of league-leading Baltimore and 2½ games ahead of the third-place Yankees.

Lopez doesn't believe that starting pitchers should pace themselves. "Those days are gone forever," said the Sox manager.

"A pitcher can go all out," Lopez said. "If he fails to finish, then the bullpen comes into action. And the team with the best bullpen will win most of the ball games."

Folk, Ross Tie With Low Score

SASKATOON (AP) — Ron Folk, of Saskatoon, a star of the North Texas State University golf team, fired a three-under-par 67 Tuesday and tied for medalist honors in the qualifying play of the Canadian Amateur Golf championship.

Folk, with 74-67-141, shared the No. 1 role with Ed Ross of Saskatoon. Ross had 71-70-141 for two days of play over the par 70, 6,528-yard Saskatoon Riverside course.

THE LITTLE WOMAN

Michigan Is Site For Poverty War

EAST LANSING (AP) — One of the smaller skirmishes in the war on poverty will be fought in rural Michigan, says Nyle Katz, state director of the farmers Home Administration of the U.S. Department of Agriculture. Statistics published by the USDA show there are 16 million rural Americans who would fit the administration's definition of poverty. How many of these live in Michigan is unknown but the state is below the national average "and not nearly as bad off as Appalachia," Katz said. The FHA "moves in a familiar arena when we move on poverty," he said. The agency now is helping 3,468 families in the state who could not get the credit elsewhere to improve their operations. Its farm ownership program lends money to buy or enlarge farms; the soil and water program helps finance tiling and drainage work, and the rural housing program helps farmers build homes or service buildings. The agency's responsibilities under the new Economic Opportunity Act have not been spelled out in detail yet, Katz said. One of them will be the authority to lend farmers with collateral insufficient to get loans elsewhere up to \$1,500, he said. "And we expect to refer some of our people to the work and study camps and the CCC-type camps, before they completely are filled by urban people." The administration's \$3,000 annual income guideline for determining poverty does not always apply in rural cases. Many times, he said, farm families below that level are not poverty-stricken, and many above it are. "We're going to have to make qualitative judgments in determining who needs the help," Katz added. The opening shots in Michigan, however, came from an unexpected quarter before the declaration of war. Melvin Weil, editor of Michigan Farm News, took pot shots at federal statistics in the flood of publicity that accompanied the first announcement of President Johnson's anti-poverty program. The farm bureau has not taken an official stand on the anti-poverty program and probably will not, said President Walter Wightman, "although we may have something to say about specific points in it." The USDA put its full statistical forces into the preparation for the program, Weil said, and found that one-third of the 16 million rural Americans are heads of farm operations. That comes out to 5,333,000, Weil said, or 1.8 million more than the number of farms in the United States, as listed earlier by the USDA.

GLADSTONE

Watermelon Feed Ends Recreation Program Friday

Summer activities sponsored by the Recreation Department will close with a watermelon feed at the recreation building Thursday at 2:30 p. m. according to Don Pfotenauer, director. The building will close Friday.

Personal

Mr. and Mrs. Ray LaRoux and family of Detroit are at the LeRoux cottage on the Escanaba River and visiting with his parents, Mr. and Mrs. Ed LeRoux, 515 Superior Ave. and his sister, Mrs. Paul Cowen and family.

Soap Box Derby Champion Fared Well In Finals

Upper Peninsula Soap Box Derby champion, Richard Frisk of Gladstone, has returned after competing in the 27th Annual All-American Soap Box Derby in Akron, Ohio. Richard fared well in the famous amateur coasting event for youths in the rubber city. The Hancock representative's white racer was pitted against Bellefonte, Pennsylvania, and Oneonta, New York, in the 42nd heat. He emerged successful with a time of 27.61 seconds which was the seventh fastest heat of the day in the first round of heats.

Legion Auxiliary Installs New Officers Monday

The August Mattson Post 71 Auxiliary will hold their annual installation of officers dinner at the Legion Hall at 6:30 p. m. Monday. Mrs. Clifford Mineau is in charge of the committee on arrangements and reservations may be made by calling her at GA8-9014 or Mrs. Ann Tittsworth at GA5-9291. Officers to be installed are: Mrs. Reynold Redstrom president; Mrs. Brietzman, first vice president; Mrs. Fern Dahlgren, second vice president; Mrs. Lawrence Grenier, secretary; Mrs. Joseph Martin, treasurer; Sgt. at arms, Mrs. J. J. Gnat; chaplain, Mrs. Emma Feldt; and historian, Mrs. Isabelle Schenk.

Briefly Told

Frieda Ferguson, of Newport, Mich., reported to State Police that she struck and killed a deer Monday at 7:30 p. m. She stated she was traveling north on County Road 509 when the deer jumped from the left into the path of her car. She was unable to avoid hitting it.

Roscoe Pratt, of Rte. 2 Rapid River reported to State Police that someone had broken the gas line on his tractor and taken about 10 gallons of fuel sometime between Aug. 13 and 17. Officers are investigating.

State Police ticketed Dennis Bissell, 520 Lake Shore Drive, Escanaba, and Thomas Gillard, Muskegon, both for speeding.

The City Beach will close daily, effective tonight, at 7:30 p. m., it is announced by Don Pfotenauer, recreation director.

A Garden woman, eLona LeVorne Terry, 46, was sentenced by Justice Ross Davis on Tuesday to serve 20 days in jail when she failed to pay fines and costs for reckless driving and expired operator's license. The arrest was made by State Police of the Manistiquette post. The fine and costs was \$54.30 for reckless driving and \$5 for expired operator's license.

Gladstone police arrested two youths in Gladstone at 2 a. m. Tuesday for being disorderly and for destruction of property. They are Gary Lee Pardee, 19, of Ensign, and Rodney Wills, 18, of 303 N. 19th St., Escanaba. In Justice Ross Davis' court on Tuesday each was sentenced to 30 days in jail and ordered to pay \$5 costs. If the costs are unpaid at the end of 30 days they must serve an additional 30 days in jail.

About 404 million gallons of marine fuel were used by boat owners and vacationers in 1960.

Auto Contract Talks Recessed

DETROIT (AP)—The United Auto Workers and the automotive industry's Big Three—Ford, General Motors and Chrysler—scheduled bargaining sessions today, but they were expected to do little more than go through the motions of negotiations. Meetings will be broken off Thursday, while UAW leaders gather in Chicago to pick a contract—or strike—target. The union turned down Monday virtually parallel offers from the three companies. The automakers asked a three-year pact in return for wage increases, higher pensions earlier retirement and bigger life insurance, among other things. The UAW said the offers were inadequate in view of what it termed "fantastic, unbelievable profits." It demanded "greater equity" in record earnings for its 500,000-plus members employed by the Big Three.

Red Rockets Still Hidden In Cuba?

RIO DE JANEIRO (AP) — Cuban Prime Minister Fidel Castro's sister, Juanita, says it is possible Soviet rockets are still hidden in Cuba. Miss Castro, who defected from her Communist homeland last June, emphasized at a news conference, however, that she has no specific knowledge about the matter.

Attorney General Visits In U. P.

Atty. Gen. Frank J. Kelley was in Manistique Tuesday to confer with Prosecuting Atty. William J. Sheahan on law enforcement developments. The attorney general, chief law enforcement official of the state, is meeting with various prosecutors in the U. P. this week.

He also visited Nicholas Chapek, Delta prosecutor, and Francis Brouillette, of Dickinson County Tuesday. Monday he visited with Farrell Elliott, Chippewa county prosecutor. Wednesday he will visit with the Gogebic prosecutor, David McDonald, and with Oswald Casanova, Iron County prosecutor.

The business and professional group of Schoolcraft Democrats held a breakfast in Kelley's honor at the Harbor Inn with 32 attending. He spoke of strength, unity and vitality. Leonard Shay of Gernfask was in charge of arrangements.

Divot Diggers Lead In Golf

The Divot Diggers have taken the lead in the Men's Twilight League of the Indian Lake Golf and Country Club with 87 points followed by the 19th Hokers and the Drivers, tied with 85. Other standings are: Dubbers 78; Pros 77; Brassies 70; Gas House Gang 71; Whiffers 70; King Pins 68; Svenskas 60; Barney's Badgers and Tiggers with 59. Entertaining teams for August 20 will be the Dubbers and Barney Badgers.

Whiffers vs. Dubbers
V. Dufour - C. Strasser
B. Hawn - T. Hohlak
G. Thomas - G. Wilson
J. Ballas - C. Rusecki
G. Pawley - B. Graff
C. Jahn - B. Howse
J. Hokers vs. Gas House Gang
B. Malloy - John Crossley
H. Calhoun - B. Hood
M. Wehner - D. Roach
T. Thompson - R. Archey
J. Kelly - M. Nelson
J. Matthews - C. Davis
Tiggers vs. Divot Diggers
L. Males - B. McKilligan
B. Guinan - D. Carlson
J. Kelly Jr. - P. Villeneuve
C. Carlson - C. Atwater

WANT AD RATES
MINIMUM 20 WORDS

All Want Ads must be in by 5:00 P.M. on the day prior to the first day of insertion.

Low word rates permit a complete description at small cost.

For best results, write your WANT AD naturally and clearly.

Place ad for six times. Cancel your ad after the sixth time. You will be charged only for the number of times run at the current word rate.

1 day - CASH RATE \$1.60
3 days - CASH RATE \$3.60
6 days - CASH RATE \$4.80
14 DAY SHOWING WANT AD
COSTS 20 WORDS AND OVER
AT THE CASH RATE

Words 1 tm 3 tms 6 tms
20 1.60 3.60 4.80
21 1.68 3.78 5.04
22 1.76 3.96 5.28
23 1.84 4.14 5.52
24 1.92 4.32 5.76
25 2.00 4.50 6.00

Groups of figures count as one word. Each initial is considered the same as one word. For example: DIAL ST 6-1234 - Two words
325 S. 10th - Three words
A. Smith & Co. - Four words

Errors in advertising should be reported immediately. The Escanaba Daily Press is responsible for only one incorrect insertion.

Car Hits Truck; Livonia Fireman Loses Both Legs

LIVONIA (AP) — A Livonia fireman was reported in fair condition after losing both legs in a collision between a car and a fire truck en route to a fire Sunday.

Wesley Wiser, 27, of Livonia, was one of four firemen injured in the crash in this Detroit suburb. The others were treated at a hospital and released.

Police said a car driven by Joseph Arduer Jr., 43, of Livonia, struck the rear of the fire truck just after it pulled out of the fire station with lights flashing and siren operating.

S. P. 4 William Reno has returned from Korea where he has spent the past year, for a visit with his parents, Mr. and Mrs. Merton Reno. His next station will be Fort Carson, Colo.

Jack Tufnell, son of the George Tufnells, 114 E. Elk, left for Trenton, N. J., after spending a 40-day leave before re-enlisting in the Navy six more years. He has been stationed in Bermuda for the past two years.

Mr. and Mrs. Robert Curley of Cincinnati are visiting with the R. D. Curleys.
